To,

Herbert Bradley Esq.

Acting Collector of Malabar

Sir,

With reference to your endorsement, No. 104, dated 18th January 1893, on Board's Proceedings No. 177, dated 13th January 1893, I have the honor to report as follows

2. The 14 odd acres of land situated at Kodai-Kanal mentioned in the return forwarded by me are the property of Mrs. Batten and were acquired by her before marriage. The land consists of two plots. One plot is under 10 acres (9.80), 10 acres being the extent of land which under the latest Government Orders is that allowed for a single building site. This plot is held under the "building clause" and must be built upon by July 1894 under the pain of the land being resumed by Government.

The second plot (4.26 acres) which adjoins the first is too steep and rocky to be built upon, and for that reason was exempted by Government from the building clause. It was applied for as an approach on which to make a carriage drive from the Government road to the building site which is on the top of a steep hill.

3. Mrs. Batten's present intention is to build a house upon the land. She may however sell it.

I have &c.
