Arms and Ammunition.

Directing that the returns of — exported from this Presidency and imported into Native States within political jurisdiction of this Government under licenses issued during the half-year ending 30th June 1892 be forwarded to the Government of India; noticing certain discrepancies in their preparation; and specifying the dates on which they should in future reach Government.

Papers with [illegible]

Current No. 571

(2) In Statement No. I for Travancore, the consignments covered by a license issued by the Commissioner of Police, Madras, in December 1891, have been included. This is incorrect inasmuch as the return relates only to arms and ammunition covered by the export licenses issued during the half-year ending 30th June 1892. On the other hand, one muzzle-loading sporting rifle, one revolver and one hundred sporting filled cartridges, covered by export licenses issued by the Commissioner of Police, Madras, during the same half-year, have been omitted from the said Statement I.

(3) The license issued by the Chief Secretary to Government on the 16th February 1892 is shown in Travancore return, No. I, as having authorized the export of only 500 lb. of saltpetre, while it actually covered the export of 672 lb.

(4) Statement No. II for Cochin shows that 30,912 lb. of sulphur were imported under a license issued by the Commissioner of Police, Bombay. This requires explanation, the Commissioner of Police, Bombay, having been authorized to grant licenses for export of reasonable quantities only of "ammunition" and for personal use. It is also not clear whether in this case an export license had been obtained from the Chief Secretary to Government as required by the Arms Act rules.

(5) In numerous instances it is observed that consignments have been imported into Travancore and Cochin under licenses issued by the Diwans. It is not clear whether all these consignments were also covered by export licenses granted by British authorities during the half-year in question. This should be fully explained. The exact nature of the licenses issued by the Diwans and the procedure observed in cases of import into Travancore and Cochin should also be reported.

It is unsatisfactory to find that, notwithstanding the reiterated instructions of Government conveyed in the marginally noted proceedings and memoranda, the returns from the Resident in Travancore and Cochin should have been prepared so incorrectly. The Resident should give his personal attention to the matter.

G.O., dated 4th May 1892, No. 846.
" " 7th Sept. " " 1649.
Memorandum, dated 17th Oct. 1892, No. 1634.
" " 21st Jan. 1893 " 117.

4. The instructions of the Government of India adverted to in paragraph 2 *supra* seem to call for some modification in the present method of preparation of these returns. The returns now submitted by Political officers showing arms and ammunition for the export of which licenses were issued during the half-year include also the consignments covered by export licenses granted by the Chief Secretary to Government and the Commissioner of Police, Madras. These need not be included in future. The said returns should show only the arms and ammunition for the export of which licenses were issued by the Political officer reporting under G.O., dated 17th March 1883, No. 796, during the half-year to which the returns relate. The consignments covered by export licenses granted by the Commissioner of Police should, as heretofore, be included in that officer's return. Those covered by licenses issued by the Chief Secretary to Government will be entered in a register to be maintained for the purpose in his office, from which the necessary statistics for the consolidated return will be collected. Further, the Commissioner of Police and the District Magistrate of Malabar are required to submit only one return, namely, that showing the arms and warlike stores for the export of which licenses have been granted by them during the half-year to which the return refers; whereas Political officers submit both the export and the import returns prescribed in G.O., dated 15th March 1892, No. 501, Judicial.

5. In future, the first of these half-yearly returns, namely, that showing arms and ammunition for the *export* of which from the Madras Presidency licenses were granted during the half-year to which it refers, should be submitted so as to reach Government by the 1st February and 1st August, and the second by the 1st March and 1st September, of each year. This supersedes the directions contained in paragraph 2 of G.O., dated 15th March 1892, No. 501. The returns due from this Government will be submitted so as to reach the Government of India on the dates specified in the margin. The alterations necessary in the revised list forwarded with G.O., dated 6th February 1893, R. No. 143, will be made in the Public Department.

Return No. I—1st March and 1st September.
Return No. II or Supplementary Return—1st April and 1st October.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

Read—again G.Os., dated 15th March and 7th September 1892, Nos. 501 and 1649, Judicial.

Read—also returns of arms and ammunition forwarded by the several Political officers, the District Magistrate, Malabar, and the Commissioner of Police.

Order—dated 6th March 1893, No. 485, Judicial.

Ordered that the returns of arms and ammunition specified in the margin be forwarded to the Government of India with reference to paragraph 2 of Mr. Irwin's letter, dated 18th January 1892, No. 242-I., Foreign.

(1) Return showing arms and ammunition for the export of which from the Madras Presidency licenses were issued during the half-year ending 30th June 1892.

(2) Return showing arms and ammunition imported into Native States within the political jurisdiction of the local Government under licenses issued during the half-year ending 30th June 1892.

2. The instructions of that Government in regard to the preparation of these returns have not been properly understood by all the officers concerned. In August last the Political Agent of Banganapalle asked for instructions as to the form in which the return for the Banganapalle State should be submitted, and in its Proceedings, dated 7th September 1892, No. 1649, Judicial, the Government explained to him the nature of the returns required and communicated its orders to the other Political officers and the Commissioner of Police, Madras, for information. In spite of this, the returns now under consideration were found on scrutiny to contain a number of discrepancies. This necessitated further correspondence with some of the reporting officers, and, as a consequence, the returns could not be submitted punctually to the Government of India. Even now the returns submitted by the Resident in Travancore and Cochin are not quite correct, but in order to avoid any further delay the consolidated returns for the whole Presidency have been prepared from the statistics now to hand.

3. The following discrepancies have been noticed in the preparation of these returns:—

(1) The return submitted by the Commissioner of Police, Madras, shows that no licenses were issued by him for export to Cochin during the half-year under report, but according to that received from the Resident, two such licenses were granted—one on the 19th May and the other on the 21st June 1892. Again, the Travancore return, No. I, shows that a license was issued by the Commissioner on the 6th April 1892 for the export of 500 detonators to that State, but this does not find an entry in the Commissioner's statement. The above discrepancies should be explained. The Commissioner of Police will also be requested to report the authority under which licenses were granted during the half-year in question for the export of large quantities of ammunition to the mining agencies in Hyderabad (Deccan)

In view to the preparation of a complete li of reports, returns &c submitted to departments under the Chief Secretary and of those forwarded by them the Government of India, with due dates, departments under the Chief Secretary are requested to furnish lists for compilation. In cases where due dates have not been fixed it would be well to have this done in view to the issue of a complete list, which would, it is thought, be found very useful.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From G. R. IRWIN, Esq., Under Secretary to the Government of India, Foreign Department, to the Chief Secretary to the Government of Madras, dated Fort William, the 18th January 1892, No. 242-I.

I am directed to refer to the letter marginally noted, which prescribed the form of the return of arms and warlike stores imported during each half-year into Native States and foreign territory in the Madras Presidency.

No. 3501-I., dated the 28th September 1886.

2. In practice this single return has not been found to work satisfactorily, and I am accordingly to request that in future two statements may be submitted to the Government of India. The first of these should show all arms and warlike stores for the *export* of which from the Madras Presidency to foreign territory and Native States (whether under the political control of the Government of Fort St. George or not) licenses were issued during the half-year under report. The heading of this return should be "Statement of arms and ammunition for the export of which from the Madras Presidency licenses were issued during the half-year ending on the ——————." The second or supplementary return should show all arms and warlike stores *im*ported into Native States within the political control of the Government of Fort St. George under licenses issued during the same half-year whether the consignments reached their destination before or after its close. The words "under licenses issued during the half-year ending on the ——————" should be added to the heading of the second statement. The body of both returns should continue to be made out in the form prescribed in the letter from the Government of India above cited. The second return need not be submitted till the first day of the fourth month following the close of the half-year to which it relates. In the event of the term of a license having expired without any importation being made under it, a note of the fact should be made at the foot of the return.

ORDER—dated 15th March 1892, No. 501, Judicial.

The foregoing letter from the Government of India will be communicated to the Resident of Travancore and Cochin, the Commissioner of Police, Madras, the District Magistrate of Malabar, and the Political Agents of Trichinopoly, Kurnool and Bellary, for information and guidance.

2. Both the returns prescribed by the Government of India should be submitted so as to reach Government by the 1st March and 1st September of each year.

3. These orders will take effect from the next half-year, and the alterations necessary in the revised list forwarded with G.O., dated 22nd February 1892, No. 326, will be made in the Public Department.

Proceedings of the Judicial Department dated 7th July 1891, No: 1349.

Order dy 24th November 1891, No: 994.

In view to the preparation of a complete list of reports, returns &c. submitted to departments under the Chief Secretary and of those forwarded by them to the Government of India, with due dates, departments under the Chief Secretary are requested to furnish lists for compilation. In cases where due dates have not been fixed it would be well to have this done in view to the issue of a complete list, which would, it is thought, be found very useful.

From A. G. CARDEW, Esq., M.A., C.S., Acting Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 8th July 1892, No. 3296.

I have the honour to submit the prescribed half-yearly returns of State prisoners. No statement having yet been received from the District Magistrate of Vizagapatam, a reminder has been sent him, and his return will be forwarded as soon as received.

2. The classification of the persons included in the returns is the same as in previous half-years, but I beg to submit, for the consideration of Government, that the first six names in Class II would now be more properly included in Class I, these persons being at large under surveillance. In Foreign Department letter, No. 652 P., dated 29th March 1871, the Government of India suggested that those persons who were then at large should be transferred from Class II to Class I, and again in its letter, No. 4452, Judicial, dated 10th October 1887, it directed that persons released from jail at the Jubilee and remaining at large under surveillance should be similarly transferred. There seems to be no difference whatever in position between the first six prisoners in Class II, who are all Moplahs, and the 3 Moplah prisoners in Class I, and their separation into two classes is not very intelligible.

3. Adverting to paragraph 6 of G.O., 3rd March 1892, No. 411, Judicial, I have the honour to invite attention to section 3, Regulation II of 1819, and to Rule 1034 of the Jail Code, which will show that it is impossible that these returns should reach Government by the 1st of January and 1st of July, as they have to be despatched only on those dates and have also to pass through this office and be compiled here. I venture to suggest that the 20th of January and July, respectively, be named as the dates on which the returns should be received by Government.

VELLORE,
1st *August* 1892.

(Signed) A. G. CARDEW,
Ag. Inspector-General of Jails.

ORDER—dated 9th August 1892, No. 1447, Judicial.

No new names appear upon the list of State prisoners for the half-year ending 30th June 1892.

2. Class I contains five names as in the previous half-year.

3. Class II contains eight names against fifteen in the previous half-year; the decrease is due to the release of numbers 12, 13, 14 and 15 in last half-year's list in July 1891 and of numbers 10 and 11 in September 1891 and to the death of No. 4 in October 1891.

4. The Inspector-General's remarks upon the classification of State prisoners appear to be correct, and in future Class II should be restricted to persons in actual confinement.

5. The Inspector-General's proposal that these returns shall be regarded as due with Government on the 20th January and July is approved and the fact will be intimated to the Public Department with reference to G.O., dated 22nd February 1892, No. 326, Judicial.

6. There was undue delay on the part of the District Magistrate of Vizagapatam in the submission of the information relating to his district.
