Department.

SIR,

( Archaeology )

I am directed to acknowledge the receipt of Mr. Bayne's letter No. 393/9A6 dated 18th ultimo, and enclosures, in which it is proposed that, in place of the rules for the decipherment and publication of inscriptions issued with the circular from this -- Department No. 11/8 dated 7th February last, a modified set of rules prepared by Major Temple should be adopted for use in Burma.

2. In reply I am to say that the Government of India have pleasure in accepting Major Temple's -- offer that he should hold the office of honorary archaeologist for Burma but they do not deem it expedient to modify the general position given to Dr. Hultzsch in the rules prepared in February last: Under the exceptional circumstances of Burma however they will not object to Dr. Hultzsch delegating, if he is so inclined, any of his powers relating to any -- class of inscriptions to Major Temple.

3. A copy of the correspondence has been forwarded to the Government of Madras for communication
