THE *Chief Secretary to Government*
Public Department

SIR,

With reference to para 2 of G.O. No. 291
Public dated the 10th April 1893, I
have the honor to forward a copy
of the results of the recent competitive
Examination of private candidates for the
appointment of Assistant Surgeon.
2- Since the publication of the Notification
calling for candidates to fill two
vacancies in the grade, another vacancy
has occurred in consequence of the
resignation of Mr. Mannickum. There are
now therefore three vacancies in the grade
of Assistant Surgeon and the number of
candidates who recently competed is 12.
The answering has been remarkably good,
and I recommend that the first three
in the order of merit may be selected
to fill the existing vacancies.
