Hon'ble Mr. Forster C.S.

For orders.

The facts of the case are clearly set forth
in para: 2 of the Surgeon General's letter.

First class Hospital Assistant J. Madura-
nayagam Pillai No 150 & Second class Hospital
Assistant Mr. Kasiviswanatha Pillai No 227
attached to the Alayaloe & Perambaloe dispensary
have on previous grounds declined to conduct
post mortem examination on a dead body sent
to them by the Police. The Surgeon General
accordingly recommends that these men be
reduced to the next lower grade and their
promotion stopped for one year. Nothing is said
about their previous character but in the
absence of any thing to the contrary that seems to
have been good. Considering however the grave
dereliction of duty now brought to notice
it does not appear that the punishment recom-
mended is too severe. But as the first class man
will lose by it Rs 20 whereas the other who appears
to be the more to be blamed will lose only Rs 10, this
submitted that the latter's promotion may be
stopped for two years.

The pay of the 1st Class man is Rs 55

The pay of the 2nd Class man is Rs 35.

The Surgeon General recommends in similar
cases to be appropriate. The 1st
Class man seems to have been long before
as he has been in the service. He knows perfectly
well that if he did not hold the post
mortem it would not be held up with
if the Surgeon General is to be believed. He
is a young man for not having
been promoted from the 2nd class

Perambaloe?

2 of his explanation what he had to do
was. He had considered the case would
give him some business and would have nothing
to do with it and having got a hint
from what he of Alayaloe had written
works on the requisition made to him
a false excuse

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE Honble The Chief Secy. to Government
Public Department.

SIR,

I have the honor to report to Government the conduct of the Hospital Assistants named in the margin who have been guilty of a gross dereliction of duty.

2. It will be seen from the correspondence enclosed, that on the 2^d April the body of a Native who appears to have met his death under suspicious circumstances, was sent by the local Police Officer to the Hospital Assistant at Perambalore (2^d class H. Asstt. Kaccivannatha Pillai no. 227), for post-mortem examination, but the medical subordinate refused to conduct the examination - pleading indisposition as an excuse - although he was at the time attending to his Hospital duties as usual, and no report of his having been ill was previously made to the District Surgeon.

1st class H. Asstt. S. Madrasanoyagum Pillai no. 150
attached to Civil Disp. Aragalore.
2^d class H. Asstt. M. Kaccivannatha Pillai no. 227
attached to Civil Disp. Perambalore.
