GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Pensions.

Read the following paper :—

No. . *From Colonel FANE SEWELL, Superintendent of Family Payments and Pensions, to Brigadier-General H. R. HOPE, Secretary to Government, Military Department; dated Fort St. George, 16th May 1893, No. 777.*

I have the honour to submit my inspection report for the year 1892-93.

2. Of the 21 principal stations I obtained sanction of Government to inspect, 11 have been visited and inspected by me during the past season, and of 24 smaller stations, 9 have been similarly inspected. The general state of the out-stations is decidedly satisfactory, and it is only with Bangalore, Jalna and Cuttaek that any fault had to be found, but in neither of these sufficient to anticipate any serious difficulty or more than can be, with careful attention, soon restored to a proper state of efficiency.

3. Much assistance having been afforded to officers of this department by the distribution in previous years of printed copies of inspection reports, I would request that this office may be furnished with 120 copies of the order that Government may be pleased to pass on the accompanying report.
