Stating that a certain
information asked for
can only be supplied
by the Director General
of Telegraphs.

It will be pointed out to the Superintendent
of telegraphs Madras division that his letter
no 4248 dt 11th October 1892 referred to the
manuscript notes required for incorporation
in Part II of the Presidency administration
report but that G.O. dt 8th May 1893 no 369
relates to the report on Imperial Telegraphs
extracts from which he annually submits
to Govt for Part II Chapter IV of the report.
If there is any objection to the continuance
of this practice, early intimation should
be given so that the Govt of India may be
summed to issue the necessary instructions to
the Director General of Telegraphs. The
submission of manuscript notes is unnecessary.

note. Please see page 146 (latter half) of the last adminis-

The manuscript notes were for the last para on page 157
