To

The Chief Secretary to the Government of Madras.

Home Dept.
(Sanitary)

Simples, the 16th June 1893.

Sir,

I am directed to acknowledge the receipt of your endorsement No. 310 Public dated the 13th April 1893, with which you forwarded a statement showing the extent of venereal affections in the city of Madras during the year 1892, and to point out that the figures representing the totals of the different diseases for all institutions were not shown in that statement. This omission has now been supplied in this office, but I am to request that the totals may be included in future statements submitted to the Government of India.

I have the honour to be,

Sir,

Your most obedient Servant,

H. Lusson

Under Secy. to the Govt. of India.
