Proceedings of the Board of Revenue

(Land Revenue),

Dated 21st June 1893,

No. 3679 Mis.

READ the following letter from W. A. Wilcock Esqre, Collector of vizagapatam to the Secretary to the Commissioners of Land Revenue, Madras: -

In reply to Board's reference dated 27th April 1893 on G. O. Public No 295 dated 11th April 1893 I have the honor to suggest that instead of the proposed direct line from Madras to Rangoon the steamer should call at either Cochinada or vizagapatam. The loss of time involved would be less than 24 hours and I do not think that this would matter much to the consideration of the character which passes between Madras and Burmah while Hyderabad and the four northern districts would benefit greatly. Our relations with Burmah are becoming closer and closer every day and it is very desirable that this should not be checked needlessly.

2. I would also suggest that some arrangements should be made under which letters and parcels might be sent by ordinary steamer without any responsibility of course with regard to date of arrival. It takes 7 days to send a letter from vizagapatam to Calcutta but the B. I. S. N. Steamers often do it in 4 and I have no doubt but that the steamers which the company will run between Cochinada vizagapatam and Rangoon during the cool season would find good many bags of mail.

that the opening of the east coast Railway will only
reduce the time a letter takes to go from vizagapatam
to Madras to 3 days
