From,

To,

The Honble J. F. Price,

Chief Secretary to Government,

Judicial Department.

Sir,

I have the honor to request that Government will be pleased to sanction the disbursement of Rs 15 now held under objection by the Accountant General under the following circumstances.

2. In April last a man who gave his name as James Greene was arrested by the Travancore Police in Travancore territory under the orders of the Resident of Travancore and Cochin and was handed over to the Police in British Cochin. He was produced before the Deputy Magistrate, Mr. O'Leary, who, not being empowered to take action under the European Vagrancy Act IX of 14, directed him to be produced before me. He was brought to me by Steiner, and on my examining the man he stated that he was on his way to the Holar gold mines and produced between ten and eleven rupees. This sum is ample to pay his expenses from Kottayam to Holar and I consequently declined to declare him a vagrant and allowed him to proceed upon his journey.

3. Under the circumstances I request that Government will be pleased to sanction the disbursement of Rs 15, the expense of conveying him and his escort from Cochin to Calicut.

I have the honor to be,

Sir,

Your most obedient servant

H. B. Gigg Esquire M.A., C.J.E.,
Resident in Travancore and Cochin,

To

The Honorable J. F. Price

Chief Secretary to Government,
Fort St. George.

Sir,

In reply to your reference No 2025
of the 15th Instant, I have the honor to state
that the James Greene mentioned in
Mr. Bradley's letter herewith returned is the
person about whom I submitted a report
in my Reference on C. No 1039 of the 7th June
last. I have no further remarks to make
in connection with his case than those
contained in that letter.

2. The procedure I adopted in regard
to James Green was ^{that} prescribed in para 3
of Government Order dated 13th October
1871 No 1551, Public Department. In my
letter quoted above I expressed the
opinion that these orders require
reconsideration and upon this the Government
desired

desired to know in what way they should
be altered - vide Memo No. 187 dated 6th July
1893. My reply to this reference will be
submitted in the course of a few days.

3. It seems to me that all
charges incurred on his account after
he reached British Cochin should be
borne by the British Government, he
having been treated as a loafer under
the rules relating to Vagrants.

I have the honor to be

Sir

Your most obedient servant
