(Medical)

Sir,

Calcutta, the 17th January 1893.

I am directed to acknowledge the receipt of the Annual Report and Statistics for 1891 of the State Hospitals both in the Presidency Town and at Mofussil stations, forwarded with your endorsement No. 624, dated the 5th September 1892.

2. The Government of India are advised that the institutions numbered 1 to 6 and 13 to 18 in Statement V Part I appended to the Report, though they are maintained at the expense of the State, are really of the nature of charitable institutions. I am accordingly to request that they may be shown in future in the corresponding statement attached to the report on Civil Hospitals and Dispensaries in the Madras Presidency, the Presidency institutions only (those numbered 7 to 12 in the statement) being shown in this separate report on State Hospitals.

I have the honour to be,
Sir,
Your most obedient Servt.

Surgeon General
Note.

India is correct in saying
that the dispensaries re-
ferred to are really of the
nature of charitable insti-
tutions. They, however, also
afford relief to Govt. employees
in their neighbourhood
but their principal work
is charitable. The Zemindar
of Polavaram pays 250/. per
annum towards the dis-
pensary at that place;
and the Sat Raja of Bisseu-
-Katak contributes 50/. a
month to the hospital there
