Were they appointed permanent lecturers continuing to act as such their emoluments would be Rs. 1 per mensem. His Excellency the Governor in Council is, I am to say to inflicting monthly loss of Rs. 300 on these officers immediate change, even if that possible, and considers the proposal put forward in para 4 above would under all the circumstances of the case, be more equitable to them.

Council considers this arrangement an unsatisfactory one and proposes to rule that in future the Secretaries to the Board of Revenue in the Land Revenue and Salt Departments shall draw the pay attached to these posts only so long as they do the work and shall revert to the ordinary line when their actual connection with the Board ceases. As however the chances of suitable appointments as acting Collector and as permanent Sub-Collector are not likely to come together, liquidation of the Secretary for a period not exceeding six months should, it is considered, be permitted before a vacancy is deemed to accrue. This arrangement is in accordance with the views expressed by the Government of India on the subject in Sir E. Buckle's letter dated 24-2-92, No. 257 F., and to the practice that now obtains in regard to the Registrar of the Court.

4. It is, however, impossible to provide posts regularly for the permanent incumbents of these two offices. ^{giving} ~~most equitable arrangement~~ ~~officers concerned~~, this Council proposes to permit the acting

The difficulty will arise. There are only 7 men between 2nd B. and a Junior Collector, & as Junior C.O. even in the 2nd grade he will draw Rs. 2316-10-8, as he is treated as acting first grade. He just has now acting first grade. Then he has five acting C.O.s & Judges below him. However, I don't object to addition proposed.

LETTER:-

TO
The Secretary to the Govt. of India
Department of Fin. & Com.

SIR,

I am directed to address you with reference to the appointments of Secretary to the Commissioner of Land Revenue, Secretary to the Commissioner of Salt & Abkari Revenue in this Presidency.

2. The pay of both these appointments is Rs. 1,500 per mensem rising to Rs. 1,800 by annual increments of Rs. 300 but the permanent incumbents have, due to their standing in the service, been sometime past acting as Collectors.

result of this is that the acting salaries of these officers being calculated on their permanent pay which is higher than that of a Sub-Collector (Rs. 1,166-10-0)

draw more than their contemporaries in the service, whilst the officers acting in the appointments are deprived of the full salaries payable to them.

3. His Excellency the Governor has directed that the salaries of the officers acting in the appointments of Secretary to the Commissioner of Land Revenue and Secretary to the Commissioner of Salt & Abkari Revenue should be fixed at Rs. 1,500 per mensem from 1st April 1897 to 31st March 1898.

note
The following table shows the salaries of the officers acting in the appointments of Secretary to the Commissioner of Land Revenue and Secretary to the Commissioner of Salt & Abkari Revenue from 1st April 1897 to 31st March 1898.

With reference to the note of the

Hon. Sir H. Stokes on the accompanying
draft, search has been made for papers
connected with the ruling quoted by the
Hon. Member, but none can be traced.

It will be seen from the concluding
words of para 1 of the High Court's letter
in G.O. d/ 16-12-90, R No. 1317, Judl.,
that the only ruling referred to on that
occasion, when the question of Mr. Horsfall
vacating the Registrarship was raised, was
the Secretary of State's despatch in G.O.
d/ 8th June 1878, No. 1174/5.

Board of Revenue in the Land Revenue and Salt Departments shall draw the pay attached to these posts only so long as they do the work & shall revert to the ordinary line when their actual connection with the Board ceases.

This arrangement is ~~intended to be~~ ^{expressed by} in accordance with the views of the Government of India on the subject, and is similar to the practice that obtains in regard to the Registrar of the High Court.

4. It is however impossible to immediately provide posts in the regular line for the permanent incumbents of these two offices and, as the most equitable arrangement to all the officers concerned, this Government proposes to permit the acting incumbents to draw, until confirmed or otherwise provided for, the difference between their present emoluments what they would be entitled to as permanent Secretaries.

5. The present acting Secretary in the Land Revenue Department holds a substantive appointment carrying a pay of Rs. 1200-40-1400. The result of the arrangement proposed in the last para in his case is shown in the following table.

Letter 724. Feby 1892, No. 257. F.

The paper about the Reg. ship H.C. am not, I think, quite complete. There was a limitation or stipulation annexed to the effect that deputation for a period not exceeding six months should be tolerated, before vacancy should be deemed to accrue. This is only fair & proper, for it is obvious that the chance of suitable appointments as acting Collectors and as pukka Sub. Col. are not likely to occur together, and some such condition should be attached. The draft does not show the amount of loss which would be inflicted on Mr. Hambrick & Mr. Bradley sufficiently clearly, nor does it call attention to the injustice of inflicting this loss by an immediate change affecting present incumbents. The latter however is the basis of my proposal in order to mitigate the hardship & should be improved on the Govt.

9 India. W. 22/Jan 25/11/92

Note

As regards Mr. Bradley, it may be observed that on and after 16th April next he will, so long as he holds his present substantive appointment, draw Rs. 2,316 P. as permanent Sub Collector acting as Collector he would draw I, 904 P. Difference --- 822

From January to April 1897 from January to April 1898 & after the latter date he would, therefore, under the proposed arrangement draw less than if he were a pukka Sub Collector acting as Collector.
