Copy of letter from the Natal Emigration Agents to
the Protector of Emigrants, dated 23rd January 1893.

We have the honor to inform you that we find it
impossible to ship per S.S. 'Umginto' more than 25
percent apprentices and we therefore request, under
Sec 78 of the Rules, that you will be good enough to
obtain the sanction of Government to embark the
above proportion. We shall do our best to make
good the deficiency in subsequent shipments.

They further state that they will do their best to make up the deficiency in subsequent shipments. I do not see any objection to their request being granted and accordingly submit it for the favorable consideration of Government.
