SIR,

With reference to Proceedings of
Government, No. 46, Public, dated the 25th January
1890, I have the honor to state that Brigadier
Surgeon W. S. Fox, made over charge of his duties
in the Military Department, at Poona, on the
afternoon of 13th December '89, and took charge
of the District Surgeoncy, Trichinopoly, on the
afternoon of 27th January 1890, thus availing
himself of 45 days joining time in all.
As this is in excess of the maximum period
of thirty days which the Government may
sanction under Articles 195 and 198 of the
Civil Service Regulations, I respectfully re-
quest that the sanction of the Government

SUBJECT..

Requesting that the sanction
of the Govt. of India may be obtained
to enable this office to admit the
Salary of Brigade Surg. W.P. Fox
beyond thirty days.

7. 2. 90

My dear Rawlin,

With reference to your

No 360 of 4. 2. 90 in regard to
Dr. Fox joining him, can you
suggest any way out of the difficulty?
The case is a peculiar one. Dr.
Fox gave over charge of the office
of Examiner Medical Asst. at
Ponnai on the 13th Decr., being
suddenly taken on our hands by
the Govt of India after they had
asked for his services to wind up
the office at Ponnai. He arrived
at Madras on the 25 Decr., and
owing to the Xmas holidays and the
absence of H.E. from Madras the
Surgeon Genl was able to give him
his orders for Coimbatore only on the
14 January. Having gone on leave
made it necessary to post a
Commissioned Medical Officer to
Trichinopoly and the S. G. retained

abolition. Tra

My dear General
Yours No. about Fort
joining time.

I am afraid neither of
your suggestions are fea-
sible, for as a matter of
fact Fort was neither in
charge of Macanada nor on
duty in Madras during
any part of the time in
question.

As a matter of course
Fort is entitled to his pay
after the end of his 30 days
joining time beginning on

as far as
there are
two ways of view.
viewing his position.

1) You might remark the
circumstances that Q. I
asked
and intend for joining
beyond the 30 days to the
27th June. This would give
him employed pay for
the whole time -

on
2) You might in reference
to of previous orders,
port him to Lacouade
with effect from the
28th Oct. & give him 30
days joining time from

that date
only. I would
joining time from
L. Marcus think our
the holidays could be
ended to the 27th but
having no substantive
app. until the 28th he
would until that date
be entitled to unemployed
pay only.

Yours truly.

W. R. Harris.

For in Madras in view to
sending him there. He joined
his apt on the 27. January.
Might not Govt. consider Fox
as having ~~not~~ taken charge of
Cocanada on some date between
the 13th and 25th Dec and there
shows been on duty in Madras
until he left for Trichy? Or
could Govt. place him on special
duty allowing him to draw the
same pay and allowances as
he would have received at
Cocanada from the 13th
Dec. to the 14. Jan (the
date on which he got his order
for Cocanada)

DEPARTED

with copy 1000/46
+ copy 1000/386

Sir,

With reference to the accompanying
copy of a letter from the Asst. Genl.
No. 360 dated 4th February 1890
and Pro. of this fort. No. 46 dated
25th Jan 1890, and to paras 195.198
of the C. S. Regulations, I am directed
to request that the joining time of
Brigade Surgeon Fox may be extended
until the 27. January last.

2.

D. Fox handed over charge
of the Office of Examiner, Medical
Accts, Pona, on the 13th December
last. His tenure of that app't.
expired on that date but in consequence
of telegrams received in the Military
Dept from the Govt. of India it was
understood that his services would
be required for the purpose of winding
up the office at Pona prior to its
abolition. It was, however, finally

intimated that his services would not be required after the 13th December, and he accordingly proceeded to Madras where he arrived on Xmas day. During the holidays and the absence of A. E. the Governor on tour, the Surgeon Genl. was unable to communicate any definite orders till the 19th January, when Dr. Fox was appointed ^{Civil} Surgeon, Cossabada, with effect from date of relief at Poma. On the following day an application for privilege leave was received from Brigade Surgeon Nanney, Dr. Surgeon of Trichinopoly, and as there were special reasons for sending a Commissioned Medical Officer to that station, Dr. Fox was detained at Madras and ultimately ordered to relieve Dr. Nanney. He took up the duties of his new appointment on the 27th January, and the Act. Genl. points out that his joining time extended to 45 days. When G.O. No. 46. Public dated 25 January was

passed the fact that Dr. Fox had no substantive appt. under the Madras Govt. on his return from Poma was overlooked and it was reckoned that his joining time would commence at a later date than it really did.

3. Dr. Fox was in no way responsible for the delay in taking up a permanent appointment and I am to request that under the circumstances stated above the Govt. of India will ^{desire} extend his joining time as requested.
