put to me to much inconvenience. I have
not been put to serious inconvenience
through delay in cashing my salary,
travelling, and vacation bills since
coming here.

As in these circumstances, it
will be impossible for me to have
a sum of money in reserve to meet
the cost of a month's continuous tour
in Coorg, I would request that, from
the sum sanctioned, I might be
permitted to draw from the Bangalore
Treasury, an advance of Rs 300. for
my own travelling and contingent
charges. And as I will probably
require money en route, I would also
request that orders might be issued
to the Taluk officers to cash my bills
on presentation at their Treasuries.

The Chief Secretary

Madras.

Sir,

With reference to L.O., dated 17th December 1892, No. 879 Public, I have the honour to enquire if I may communicate direct with the Secretary to the Commissioner or the Assistant Commissioner of Coorg regarding instructions to the various Taluk officers through whose Taluk my route may lie.

2. The letter embodied in the Government Order above quoted, states that a sum of Rs 500 has been set apart for the expenses of the tour.

3. I would respectfully beg to represent that my salary is such that at all times I experience a difficulty in having a sufficient balance of money to proceed on tour, except I am able to start immediately after receiving my pay, and that after proceeding on a long journey, it is with difficulty I have enough to meet my personal expenses, much less those incidental to moving the office. On an extended journey, I am obliged to make arrangements to have bills cashed en route, and any delay in cashing them
