SIR,

With reference to endorsement dated 7th February 1893, No 257. I have the honour to report that all the remains therein entered are Archaeological works except the travellers bungalow at Manaparai of which I have no information.

2. The Navabi Palace at Trichinopoly is a historical building, but, as such expenditure as this, was for other purposes than its conservation, I think the sum should not be included under the head of Archaeological works.

I have the honour to be
