Sir,

In reply to your letter No. $\frac{470}{22.12.92}$

I have the honor to give below an extract of
para 3 of G.O. No. $\frac{652}{2.4.92}$ Judicial.

" The Board's recommendation that rent
" should not be charged for the dwelling houses
" now proposed to be constructed for the agency
" officers meets with the approval of Government.

This order was passed in regard to the Service
of Revenue Department and the privilege on
which it was passed was to make easier in
the agency hospital. I therefore think that the
Hospital Assistant will not be charged rent
if Government provides him with quarters.

2. The sanction of Government will of
course have to be obtained for the concession.

I have the honor to be,

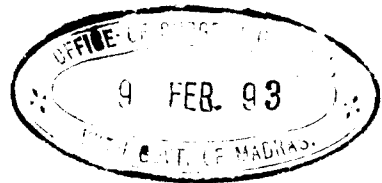

Sir,

Your most obedient servant
