It is subd. that the removal
of the vegetation may be
sanctioned without adding

Yes,
as to the inscription, is there to
be a G.O. for cutting a path through
the prickly pear? What an area
coming to? A cooly with a bit
hook would cut a way for him for
area anna. But Govt. must order
the Ch. to order the Dist. Officer to
the Taluk to order the Vill. Officer to
get the cooly. An estimate I suppose
will come up for sanction for the
anna. & after it is approved it will
go to Govt. for sanction & provision
of funds.

Order 16 January 93 No. 19.

The minor measures necessary
in connection with the preservation
of the deserted temple at Kulamanandal
may be carried out, but the building
will not be added to the list of those
selected for continuous conservation.
2. The Govt Epigraphist will
be requested to report on the inscrip-
tions at Ukkal. He will
make his own arrange-
ments for obtaining a
close inspection of them.
