4. Mr. Walker, I am to say, has never taken kindly to these Provinces, nor has he become acquainted with the vernacular languages, nor in the Chief Commissioner's opinion is he fit to hold charge of a District, even temporarily. Unfortunately, it has been necessary, during the past year to place in charge of Districts, officers who are even junior to Mr. Walker, and this necessity may arise again, entailing Mr. Walker's supersession. Under these circumstances the Chief Commissioner is not opposed to that Officer's reversion to Madras, but he trusts that the Government of India will be able to arrange for the deputation of an officer in Mr. Walker's place. Sir Antony MacDonnell notices that Mr. Michael, N^o 112, and Mr. Elphinstone, N^o 113 in the Madras Quarterly Civil List of January last, have passed in Uruja and if either of these officers could be deputed, his services could be utilized to advantage in these Provinces, Uruja being the official language of the Sambalpur District.

Dated Raipur, 26th January 1893.

Sir,

I beg respectfully to apply to the Government of India that my services may be replaced, at the disposal of the Madras Government from which they were transferred to this Province in the end of 1890.

The intense, dry heat of the hot weather here is very trying to my health, and from July 1891 till November 1892 I have been absent on leave on Medical Certificate. The languages which I have already acquired, are Savadian, and the task of acquiring others (beyond a colloquial knowledge) in addition to performing my official duties is likely to prove a severe strain on my strength.

I am therefore very desirous of returning to duty in my original Province where I trust I shall be able to do good work in the service of Government, and, at the same time to retain my health.

I have &c.,

M.S.

I am directed to acknowledge the receipt of Home Department endorsement, dated the 23rd Feb 1893, No. 111, forwarding copy of a letter from the Chief Commissioner of the Central Provinces regarding the replacement of the services of Mr. I. Walker, I.C.S., at the disposal of this Government. In reply I am to state that if the Govt. of India desires to send Mr. Walker back, His Excellency the Governor-in-Council will not object, but that it is impossible to place at the disposal of the Govt. of the Central Provinces either of the two officers named in paragraph 4 of Mr. Anderson's letter d/ 25th February 1893, No. 989, as the
