ENCLOSURES.

Subject.

Resubmitting Govt endorsement
No 444 on letter from
7393
V Narayana Rao requesting
certain information regarding
the notification for the
Provincial Service
Examination

For Order.
There seems no reason to
amend the notification now
but as the Secy. has specially
expressed there seems no reason
why he should not be permitted
to compete

Cl
18/3. I think it is desirable
to relax the conditions in
any way. The Secy. is
opinion that he was not
qualified by age until a
certain date in his life.
Now it is the case of a man
who has not yet taken his
degree though he has passed
the examination. He is not
yet a graduate & is not eligible
to compete & he can do so
next time.

I agree

it advisable to relax the
conditions of the examination
in any way. (From Order)

No 2474 of 8th March 1893
Resubmitted to Government.

2. The expression "taken the degree" means not merely that the examination has been passed, but that the degree or diploma has been received.

3. It was not intended to make provision for candidates who might pass an examination the results of which were not known at the date of the creation, & which were published for the first time only in the days Gazette.

4. It is of course open to Government to amend the notification so as to admit candidates like the petitioner, but the undersigned does not recommend such a course.
