No 2743

From

Surgeon Major J. J. Hackett Wilkins.
Adj. District Surgeon,
Gaujam.

To

E. C. Johnson Esquire,
Magistrate & Superintendent of Immigration,
Gaujam.

Dated Berhampur 29th October 1892.

Sir,

With reference to your letter No. 1258 dated 2nd September 1892 forwarding an Extract from G.O. No. 218 Public dated 18th April 92 requesting that the several Medical Officers in the District should be instructed to remit into the Government Treasuries all fees levied by them under Act I of '82, I have the honour to request that you will kindly move Government to favourably reconsider the Order contained in the said Extract.

2. Regarding Sec. 71 of the Inland Emigration Act, it seems quite clear to me that the fee not exceeding eight annas for examining each labourer is the perquisite of the Medical Officer holding such examination and it is nowhere laid down in the Act, so far as I have been able to see, that the fee should go to Government and this is as it should be, for the fee is paid by the contractor of the labourers to the Medical Officer for the services rendered by the latter and there is no practical difference between granting a Certificate of fitness to a labourer and granting any other Certificate to any other private individual. In the last case the Medical Officers have not to account for the fee they charge.

3. Private practice in the District is almost nil and my subordinates have to depend entirely on

on their pay which was originally fixed low to permit their pay being supplemented by income from private practice. It will therefore be hard on them if the fee levied under Sec. 71 of the Inland Emigration Act (which the Act declares them entitled to,) should be credited to Government.

4. Under Government Order dated 21st June 1892 No. 1140 Certifying surgeons to factories receive annas 4 for each individual they examine in consideration of the extra services rendered by them to the factory and as the passing of Emigrants is on a similar footing, it is earnestly solicited that the concession will be extended to Medical Officers granting certificates to Emigrants.

5. Medical Officers have been known to receive a fee of Rs 1 to 2 per head from contractors of labourers for passing Emigrants bound for Mauritius and to retain it as a portion of their private income irrespective of their pay and income from private practice, if any.

6. Under the above circumstances, I trust Government will be pleased to cancel their order regarding the remittance into the Government Treasury of all fees levied under Sec. 71 of the Inland Emigration Act.

I have etc.

(sd) J. J. Hackett Wilkins
Surgeon Major,
Acting District Surgeon,
Gaujam.

Ref. No. 1258 of 92
Eng

Copy forwarded to Government for favourable consideration. Government has ruled (para 6 G.O. No. 218 Public dated 1st April 1892) that all such fees are to be credited to Government.

2. I beg to suggest that the wording of
Sec.

Section 71 "Such Officers . . . shall be entitled to receive . . . a fee" looks as if it was the intention of the Act that it should go to the Medical Officer for his trouble; and even if Government should not consider this to be the case, I submit that the District Surgeon's argument deserves consideration.

See 71 of the act which relates
to the procedure to be followed
by certain officers in enquiring
before a medical examination
in such cases does not appear
to be compulsory but is required
by the employer or the master
or a medical officer in the service
of Govt. The act is intended
to receive a fee apparently
as his own property but in
the other hand see 192 of the
act prescribes that all fees
paid + rates levied under
the act shall be credited to
the Special Fund constituted
under that section. If this
section is to be construed
strictly the fee levied under
sec 71 cannot be appropriated
by the examining officer.

Sir,

I am directed to enquire
whether in the Bengal
Presidency Medical
officers are permitted
to retain - either in the
whole or in part - the
fee authorised by section
41 of act I of 1882 - the
Inland Emigration
act - or whether such
fees are credited to the
State.
