URGENT - 20th 1/2nd 1893
Office of Surgeon-General
with the Government of Madras,
Nungambakum, 9 January 1893.

My dear Price
With the approval of Government
I have placed Surg^t Capt^l Joseph Wall
at the General Hospital to relieve
the severe strain imposed on
the Staff, due to increased work.
The Government have only
sanctioned "unemployed pay"
to this Officer in their Order
— It is called
"pay & allowances; but it is
equivalent to what is called
"unemployed pay"; that is,
pay without any "charge allowance"

D. Capel Hall therefore with considerable experience in his
draw Rs 434 per annum profession, cannot outweigh
He is an officer of 6 years the difficulty of living in
Service. I need not say however. The important point
it is out of the question for the question is the cutting
married man of his standing of house rent from officers
to live properly at the Presidency. It is assumed that every such
-town on this salary. Officer is capable of supporting

As a proposed station or establishment necessary
it would be small enough to attract private patients.
Salary for an Officer doing with Rs 430 a month this
the duties of a Dist. Surgeon is decidedly not feasible.

The enclosed letter from It has always been recog.
D. Capel Hall will show that it is, that the appoint-
even the advantages accruing at the Presidency town are
to an Officer holding a more valuable than those of
appoint at the General Hospital, the charges being more
important, requiring greater ability, but
D. Capel Hall's standing

draws at an up country station
Rs. 550 a month; the pay of a
2nd Class Civil Station. - There
I consider the very least that can
be offered to an officer holding
an important Medical Charge
in the General Hospital, Madras.
& I trust that Government
will be pleased to sanction
least this sum (Rs. 550) in an-
ticipation of the sanction of the
Govt. of India.

I would request that
Government will wish for an
reply from the Govt. of India to
their reference on this subject
as the best interests of the Genl Hospital
are involved; & the case is a
most urgent one.

Yrs. Sincerely
W. H. H.

Demi-official from the
Surgeon General.

On the strength of op No.
367 d/29.10.92, Dr. de Fabre
has attached Surgeon Capt
Hall for duty at the General
Hospital. He is not acting in
any sanctioned appointment
but is additional to the
regular staff. He is accord-
ingly restricted to the un-
employed pay of his rank.
The Surgeon General was told
very plainly that nothing
more could be sanctioned
at present. He now points
out what a loser Dr. Hall
is and asks that his pay
may be fixed at 550/. (at
present it is 434/.) in
anticipation of India's
sanction to the extra Sur-
geon on 550/. asked for
in letter 869 of 14.12.92.

It is submitted that the
orders conveyed in G.O. 870
and para: 2 of G.O. 868 must
be maintained, but that
the following telegram
may be despatched to India:

xxxx To meet urgent
needs, a Surgeon Captain
is

has been posted General Hospital on unemployed pay. He suffers pecuniary loss thereby. Referring para. 6 my 869 fourteenth December request sanction by wire to appoint additional Surgeon on 550 in anticipation ~~of~~ approval Secy State.

It may be remarked that their duties did not prevent the Asst Physician taking a few day leave for his marriage or the Surgeon from running up to Bangalore during the holidays.

20 B. The Surgeon General 10/1/93 is aware of an order issued to the General Hospital as a temporary measure on 2nd Dec 1892 & he has been credited the function of the possibility of any particular man being on his pay in India before making his selection. This for can be found the income but the large sum of 1000 Rs. is not to be paid to him.

It doesn't. namely Rs 300 per mensem

This is unnecessary. The proposal is same? Surge Capt. White will of course get the pay. *[Signature]*

Again

I am further happy to see as proposed above with the attention of the Secy State.

Very well by 15/1/93
Exceptional arrangement
Uls, 15 Jan

I am now in India. and we cannot sanction the Surgeon's proposal. Surge Capt. White must go to the hospital elsewhere. I would say that if another officer can be made available, the Surgeon may submit proposals to meet his wishes.
