Stating that if in the case of acting Judges or Collector the term "Junior Officer" in G.O. dated 15 March 1883 No 560 be declared to mean the officer with least continuous service as a collector or Judge, the hardships provided out of Mr Bradley will not be removed.

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Public Department,

SIR,

With reference to your Memorandum No. 290, Public Department, dated the 10th February 1893, I have the honor to state that if in the case of acting Judges or Collectors the term "Junior Officer" in Government Order dated 15 March 1883 No. 580 be declared to mean the officer with least continuous service as Acting Collector or Judge, the hardships pointed out by Mr. Bradley will not be removed.

2. Under the proposed declaration, as furlough is an interruption of continuous active service, it is perfectly possible that an officer who before proceeding on furlough was acting as first grade Collector or Judge may on his return find himself acting in the second grade, while officers who before he went on leave were acting in the second grade, are acting in the first.

3. I do not see how any proposal short of that suggested in my letter No. 3593 dated 3rd December 1892 will entirely remove the difficulties of the case.

I have the honor to be,
Sir,

Your most obed^t. Serv^t,

that it is necessary to ^{make special} provide for
the cases of Officers appointed to the

The first finding that the Commission
made was that it was ~~unwisely~~ proposed to
cancel para 1 of G.O. of 10. 10. 92. No 704 &
rule that the term "senior officers"
used in G.O. of 15th March 1883, No. 560,
shall be declared to mean:—

(1) in the case of permanent incumbents
the ~~last~~ officers last appointed to be
Collector or Judge, irrespective of their
length of service or position in the
gradation list;

(ii) in the case of acting incumbents
the officers with the least continuous
active service as Ag. Colr. or Judge,
periods spent on joining time ^{or} ~~or~~ trans-
fer from one post of Judge or Collector to

ference with continuous service.

3. The Act. Genl is requested to state whether he sees any objection to the proposal, & if so, to be so good as to ^{name} ~~state~~ them.

4 - for early work by 10 per cent

case of the first of these it was proposed to meet by directing that an Indian Civil Servant appointed from any special ap.

carrying a salary of Rs. 1,000 a month or upwards, to be or to act as a ~~Collector~~ Collector or Judge should rank below the officer immediately senior to him in the Civil list who holds an acting or permanent appointment in either of those grades.

4. The case of Statutory Civilian might, it was thought, be met by declaring that an officer of this class appointed to act as Collector or Judge from either of the two special posts open to the Provincial - and therefore to the Statutory services - should rank immediately after the last Indian Civilian whose covenant bears date prior to that of his confirmation and who holds an acting or permanent appointment in either of those grades.

5. As regards Provincial officers who may be similarly promoted there seemed no help for it but to let them remain under the ruling in para 1 of G.O. d/ 10-10-92, No. 704

6. These suggestions were referred to the Accountant-General for his opinion & C.No. 3436 is his reply.

7. The Accountant-General considers that all difficulties will be removed

by seniority in the service. But this is the principle which we have just held to be contrary to the intention of the order constituting the 2nd grade posts. This seniority as Judge or Collector which is to determine grade & that principle shown in my opinion be added to.

~~I think it should be explained~~
There is no question or difficulty as to working the principle in

Secy. to the Board of Rev. (pay 1,000)
& Under Secretary to Govt. (pay 700)

regard to permanent appointments such as in only as regards acting ones.

I think it will be met by deciding that the man who has the longest continuous service as acting Judge or Col. should be held the senior & that period spent on joining time on transfer from one post of Judge or Collector to another should not be held to be interruptions to continuous service.

(6) 11/10/92
The Govt of India order is that the "junior" officer is he "who is last appointed to a post".
This definition is very different from the one which was created in the difficulty to which Mr. Massey drew attention. We have

Why not define "junior officers" to be those officers whose appointment to be acting collector or Judge is latest in date, irrespective of their length of service or position in the graded list, or of their having to acted before.

But this rule shall not apply to officers returning from furlough or privilege leave who at the commencement of such furlough or privilege leave were acting as collectors or Judges. In these cases they will revert to the position on the list which they occupied before taking such furlough or privilege leave. ^{provided always that if on such reversion their position is shown to be one of the two lowest on the list, they shall be considered to be junior officers for the purposes of this rule.}

(7) 12
I think furlough & privilege leave ought to count as 13 Jan interruptions for the purpose of grading. If men take either leave, it ought to be as the act of holding it in this sense.

FOR ORDERS.

In C. No. 2073 Mr. Bradley has

pointed out that the ruling in para 1 of
G.O. d/ 10th October 1892, No. 704 will
operate severely on -

(i) Officers who have not, in the
early part of their service, acted
as Collectors or Judges for short
periods;

and (ii) those who, like himself, have
been appointed to act as Collector
or Judge after having for some time
held a special appointment.

It was thought that the first

of these defects might be remedied by de-
claring that, for the purposes of the
definition of Junior Officer in para 1
of G.O. d/ 10-10-92, No. 704, acting ap-
pointment for broken periods of three
months and less would not be permitted to
count.

In remedying the second defect
three classes of officers have to be borne
in mind, viz. (1) Indian Civil Servants
(2) Statutories & (3) Provincial Service
Officers.

The

(4)

With regard to the first point, I
don't think officers who go to be
acting C.W.s from special app'ts
which prevent their having
chance of acting as Collectors
& Judges need protection. These
special app'ts are better paid
than the ordinary ones & their
holders can't expect to be paid
all round. But it sometimes
happens that an extremely junior
officer goes in charge of a district
for more than 15 days and is
usually considered to have acted
as Collector and such cases sh-
ould be considered ^{first} acting
appointments in the grade.
I don't see any necessity for
special rule as regards statutory
civilian or provincial service.
I have some difficulty in under-
standing the rule proposed by
the A.C. but it seems to bring
in the principle that seniority
as Judge or C.W. for purposes
of grading is to be determined

Sir,

In reply to your Reference on No. 2973, Pulli, dated
the 19th November 92, I have the honor to remark that the de-
-clarations proposed will not meet all the difficulties pointed
out by Mr. Bradley. It often happens, for example, that a
Commissioned Civilian of a certain standing may hold several
appointments in succession as acting Collector, the term of
each of which may never exceed three months, though the in-
-terval between one appointment and the next may be
only a few days. Another, his junior in the service, may have
the good fortune to act for a Collector who overstays three months
privilege leave by one or two days. Under the proposed rule
the former officer may find himself acting at a subsequent
period as a second grade Collector while the latter is acting
in the first grade. And again an officer who has never

Referred to the Accountant-General.

It has been suggested that the difficulties might be met by a declaration

(1) that acting appointments for broken periods of three months shall not be taken into account in calculating the time of an officer's appointment as Collector or Judge

(2) that an Indian Civilian, promoted from a special appointment carrying a salary of Rs. 1,000 or upwards to be or to act as a Collector or Judge, shall take rank in the list of those appointments immediately below the last officer whose name is shown above his in the Civil list and who holds a permanent or acting appointment in either of those grades

(3) that a Statutory Civilian similarly promoted from a special appointment shall take rank in the list of Collectors or Judges immediately below the last Indian Civilian whose appointment bears date prior to that of his confirmation and who holds a permanent or acting appointment as Collector or Judge.

for a few days, he

comes and must for the purposes of this G.O. to any one who has not been equally fortunate. An officer who happens to be on furlough when a good many senior collectors and judges take leave, is also seriously prejudiced by this accident.

5.

Messrs Moynsey and Atkinson who have just been appointed acting collectors take precedence at once of Mr Russell, and myself, and I shall have to wait until Messrs Andrew and Stuart are acting as collectors before I can hope to attain the first grade. Another curious anomaly presents itself:-

in the event of Mr Russell or myself taking furlough and Mr Sin ^{for instance} being appointed to act in my place, Mr Hammick would under the above G.O. revert to the second grade and would be prejudicially affected by one of his juniors taking furlough, and this may frequently occur.

6. I trust that from what I have written the Government will see that the present rule presses very severely upon officers who owing to accidents have not been fortunate enough to be gazetted to act as collectors or judges for short periods during the early portion

of

have held special circumstances I venture to request the Government will modify the present order in such a manner as to render it impossible for a junior officer of any branch of the service to obtain ^{accidental} precedence in the grade of collector or judge to his senior in the same service. I do not think it was intended by the above G.O. that short broken appointments as acting collector or judge should give precedence although this is implied by the strict wording of the Order.

3. There may be some slight errors in these figures, but they are sufficiently accurate for my purpose, and they present some curious anomalies. Thus it will be seen that no less than 13 Officers, who are junior to me, are for the purposes of the above G.O. my seniors. It is thus very improbable that I shall ever act as a first grade collector, whereas such officers as Messrs Bell, Murdoch and Shipley, can hardly act as 2nd grade collectors or Judges, as so many of their seniors in the service are junior to them for the purposes of the G.O. above quoted.
