With reference to Article 1070 of the Civil Service Regulations, I have the honour to report that the S.S. *Coromandel* did not arrive at Madras until the 26th of this month; that I embarked that forenoon; and that she sailed in the afternoon of the same day.

Stating that under certain reasons, the retirement of Mr. L. A. Campbell should take effect from the 15th February & not from the 27th Idem.

Hlu

For Orders.

Under § 355 of the C.S.R. subsidiary leave is calculated according to the rules & restrictions laid down for Joining Time.

Extensions of joining time are governed by §§ 197-200 of the C.S.R. and subsidiary leave can be prolonged under the conditions stated in § 356-358.

Mr. Lorne Campbell's case does not appear to fall under any of these sections & his subsidiary leave cannot apparently be extended.

Should the date of his retirement be altered to the 15th February?

C.S. There is no provision for the 4518/3 extending the subsidiary leave to the date of retirement which is altered to 15 Feb, I think.

Col. 20 March
Ans 359 is conclusive. The other must mean date from 15 Feb.
