The limit of furlough is
not likely to be reached it
is true, but owing to the
proximity of the end of the
year, furloughs will be
very limited and will have
to be put on a very narrow
basis.

Mr. O'Farrell will be informed
that, so far as can be seen at present,
there will be no difficulty in granting
the furlough for which he has applied.
The application will be registered, and
orders will be passed on it before 1st

Sir,

I have the honor to apply
under Section 340 of the Civil Service
Regulations for furlough to Europe
for 18 months commencing on or
after the 12th June next.

I have the honor to be,
Sir,
Your most obedient servant.

M. J. Farrell

Ag: District and Sessions Judge

The application is
under Section 340 of the Civil Service
Regulations.

If furlough is granted then
L. O' Farrell may think
under the provisions of para
2 of the Army Circular passed
by Genl in Council & Government
to Russia subject to the rule
fixing the date of departure
which seems to be required
under the rules embodied in
S.O. 224/90 no 43.

L. O' Farrell
leave to Russia

Of course now on furlough, there will
remain 11 absent months, & 11 furloughs
to take effect before that date have been
granted, according to the list for March
making 22. The limit of furloughs is
29. In July 3 men will return. It
seems to me that furloughs for
M. J. Farrell ought to be available
when he wants it, but I would
not promise it absolutely at present.
There is plenty of time to write to India
for instructions about M. J. Farrell's going
to Russia. It seems to me that if he
proceeds thither from England he should
get the sanction of the Govt.

C. No. 810/841

H.W.

For Orders.

Mr. O'Farrell's application for
furlough ~~has not yet been~~
~~received~~ is contained in C. No. 841

He asks for 18 months furlough
from ^{12th} June next. The record of
his court has been fixed for 17th April
to 17th June.

It seems very doubtful whether
it will be possible to find an officer
to act as D. J. Tanjore. A Judge
has still to be found for Vizaga-
-patam from the 20th June.

Mr. Fremantle is due from
furlough on the 3rd September.

Mr. O'Farrell might wait till
then.

As regards the application
for permission to proceed to
Russia from England, there
is no exact precedent. ~~When~~
~~Mr. O'Farrell's application~~
~~has been received~~
~~it is to be considered~~

Mr. Weloh's case, is dealt

with

805 $\frac{1}{7.2.90}$ $\frac{172/3}{3.3.90}$ $\frac{264}{3.4.90}$
 $\frac{471/2}{2.7.90}$ $\frac{909}{30.12.90}$ $\frac{109}{10.2.91}$
 $\frac{2105}{13.2.92}$

805 $\frac{798/9}{21.11.92}$ & $\frac{181}{3.3.93}$

provided he receives
sanction from the
India Office.

with in the orders noted in the
margin, was that of an officer
who passed the preliminary test
in England and proceeded from
England to Russia.

Mr. Rees passed the
preliminary test in India
and proceeded from India to
Russia.

Mr. O'Farrell has passed
the preliminary test in India
and wishes to proceed from
England to Russia

The proper course appears to
be for this Government, if Mr.
O'Farrell's furlough is granted, to
inform him that there is no
objection to his proceeding to
Russia. Copy of this order might
be forwarded to the Secretary of
State.

Perhaps however it will be
safest to telegraph to India
asking what is the proper
correct procedure in a case of
this kind.

C.S. There are already 3 letters
to the Home Secretary from
Mr. O'Farrell, a letter from
Mr. O'Farrell shortly after it
submitted that he has furlough
should be granted at present

period of that furlough, should Government see fit to grant it, from England to Russia. I make this application in accordance with Army Circulars, India 1891, cl. 144, embodied in G.O. 2nd December 1892 No. 835 Public, which have been declared to apply ceteris paribus to Covenanted Civilians. (Vide Mr. C. G. Melitus's letter of 9th November 1892 at page 5 of the G.O. already referred to).

From the wording of para 7^{*}

*In the case of an officer who wishes to proceed from England to Russia, his application will be submitted, through the prescribed channel, for the orders of the Government of the Presidency to which the applicant belongs; in the case of an officer who wishes to proceed to Russia direct from India, his application will be submitted, through the prescribed channel, for the orders of the Government of India, who will issue the necessary instructions.

of the
Army
Circular
I gather
that the
Government
of Madras
can grant

the permission I now ask for, and

that a reference to the Government of India (who have already sanctioned my appearing for the preliminary examination) is not necessary.

I may perhaps be permitted to remind Government that permission to proceed to Russia has been granted in two previous instances; to Mr. J. D. Rees C. I. & C. an officer of my own standing as regards seniority in the service, and to Mr. W. H. Welsh who has completed the Interpreter's test.

I have the honor to be,
Sir,
Your most obedient servant.

Sir,

I have the honor to acknowledge receipt of your telegram of 14th instant, informing me that I have passed the Examination in Russian for which I was permitted by the Government of India to appear at Bellary on the 30th January last.

I have yesterday submitted to the Government of Madras through the Accountant General an application for 18 months' furlough from the 12th June next. I have the honor to solicit the permission of the Government of Madras to proceed, during the
