With reference to your endorsement on your no 137 of 8-12-92, I have the honour to forward copies of the advertisements inserted in the Madras Mail of the 24th inst. also copies of letters describing the horse to the Madras Stable Co. when I sent him to the Company for sale.

2. These enclosures only arrived from Madras to-day, hence I was unable to enclose them with my letter no 2411 of 2nd December 92.

Rees also said, the horse would fill out behind & improve a couple of stone. he has improved quite a stone since he has been with me.

My reason for selling is that, having been very ill I am not allowed to ride. My price is Rs 850/- which I gave 6 months ago. I can certainly endorse all Mr. Rees says of the horse. A pleasanter mount & a better fence. I have never been on. I have hunted him a good deal & also had him broken to harness. He should make a splendid charger.

In the meantime please look out for a nice looking lady's hack for me. one that will also go in harness, about 14-2 & quiet. Arab preferred. Limit Rs 500/-

Please acknowledge receipt of horse to my address at Velore. The horsekeeper & farrier are to return to Velore as soon as they have delivered horse to you. The following things with horse.

- 1 Bridle. 1 Head stall
- 1 Rope & Measure
- 1 Hoof. 1 Curry comb (old)

a fo and he has improved a Stone
since then - On hearing from you
I will send the horse to your
stables at Madras.

As soon as the horse is sold.
I want to buy a nice looking Lad's
hack about 14 to 14-2 Arab
preferred & also to go in harness.
Limit Rs 500. please look out
for such an animal for me.

times at the Calcutta City & Paper Chase Meeting.

Mr. Dees has also used the Horse for
digsticking in the Burdwan District, & got
on first spear out of 3 days digsticking. The
Horse never made a mistake though
the Country was pretty rough. Mr. W. O.

2 The transaction came to my knowledge a short time ago and I called Mr Hancock's attention to the rules on the subject, in consequence of which this application has been submitted. I am doubtful as to whether the Superintending Engineer is not the proper channel for forwarding Mr Hancock's application and request orders on this point.

3 Mr Hancock appears to have written his letter in November though it is dated early in December as the transaction took place in October. He has omitted to state the price obtained or describe the horse sold. The former was Rs 8 60 for the horse and Rs 40 for the saddle.

but 3 advertisements in the Madras Mail
but it was at the wrong season of the
year and I failed to find a purchaser.

Since coming to the District 7 months
ago, I have made every effort to sell
the horse and received a few enquiries
but failed to sell.

5. The fact of the horse being for
sale was known all over the District.

6. Under the circumstances stated
and as I am going home in February
or March next, I imagined I was
justified in selling the horse to the
Maharajah.

7. I may add that on asking the
Maharajah whether he would care to
buy the horse after inspection, he said
he would first make enquiries
of the Stable Superintendent as to
whether horses were required; the
latter informed the Maharajah that a
number of horses had been recently

disposed of and others were required
to replace them. The Maharajah then
wrote to say he would like to buy
my horse.

8. Since selling the horse, I have
been informed that I should have
first obtained the sanction of
Government through the Collector
of the District.

9. I therefore take an early
opportunity of writing to request you
to accord your sanction or recommend
the sanction to Government as may
be necessary.

10. As an excuse for not being
conversant of the rules on the subject,
I may state that I have never before
had occasion to sell anything to a
native, nor have I before been in a
District where such a sale was
possible.

Sir,

I have the honor to inform you
that I sold a horse with saddle to the
Maharajah of Vizianageram last month.

2 Before coming to this District and
for several months afterwards, I was in a
very bad state of health and was
strongly advised by two doctors to leave
the country and go home. There was therefore
every probability of my having to go home
on sick leave, and hence my reason
for wishing to sell the horse.

3. Before coming to the District, I endeav-

My dear Pnce

It is probable that
an application for permission
to sell a house to the Madras
of Vyasanapuram will come before
you before long. If so I would
suggest that it should be
forwarded to me for remarks
if it is not rejected at once.

I do not refer to any sale
under the usual rule by the
Office of the 9th Regt which
have Vyasanapuram this month.
