GOVERNMENT OF INDIA.
REVENUE AND AGRICULTURAL DEPARTMENT.

EMIGRATION.

Dated Calcutta, the 7th March 1983.

NOTIFICATION.

IN exercise of the powers conferred by Section 80 of the Indian Emigration Act, XXI of 1883, the Governor General in Council is pleased to make the following amendments and additions to the Rules relating to Colonial Emigration published with Revenue and Agricultural Department Notification No. 94 E., dated the 18th March 1886:—

1. Below the words "Firewood or Coal" in column "Articles" in Sub-division (A) of Colonial Emigration Form 29 following Rule 116 A, add the word "Water."
2. For Scale No. 2 (C)—"Of Medical Comforts" in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 2.
(C)—OF MEDICAL COMFORTS.
Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a)	(b)	How to be packed.	REMARKS.
	In ships bound to places west of the Cape and to Fiji via South Australia, calculated for a voyage of 20 weeks.	In ships bound to places east of the Cape and to Fiji via Torres Straits, calculated for a voyage of 12 weeks.		
Chicken broth	lb 50	lb 50	} In one pound and half pound tins. In four ounce tins.	Half to be Anglo-Swiss Brand and half unsweetened milk (if condensed), "Dhalls" or 1st Swiss Brand, otherwise five times the quantity. The contents of a pound tin mixed with $\frac{1}{2}$ a gallon of warm water makes good milk. This article is intended to be used at the Surgeon's discretion for infants, nursing mothers, invalids, and others to whom its issue may be considered expedient. If not the whole, at least two-thirds should be non-alcoholic. At Surgeon's request port or any other approved wine may be substituted in such quantity as may be equivalent to the money value of not more than one-third of the total quantity of brandy to be shipped according to scale.
Mutton do.	50	None.		
Meat Peptonoids, Carnrick's or other approved.	1	$\frac{1}{2}$		
Brand's Essence of Beef . . .	1	$\frac{1}{2}$		
Milk, preserved	480	240	Ditto . .	
Sago	80	40	In tins.	
Arrowroot	80	40	Do.	
Soojee	50	25	Do.	
Flour (fine)	30	None.	Barrels.	
Sugar	600	300	Bags.	
Tea	5	None.	Tins.	
Bael fruit (candied)	30	15	Do.	
Lime-juice	40 gallons	15 gallons	Bottles . .	
Brandy	8 "	3 "	Do. . .	

The total quantity of each article shall be shipped according to above scale, in either column (a) or column (b) as the case may be, in proportion to the length of voyage in either case, and to the total number of emigrants to be conveyed.

3. For Scale No. 2 (E)—“Of Miscellaneous Articles” in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 2.

(E)—OF MISCELLANEOUS ARTICLES.

Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a)		(b)		How TO BE PACKED.	REMARKS.
	IN SHIPS BOUND TO PLACES WEST OF THE CAPE OR FIJI VIA SOUTH AUSTRALIA.		IN SHIPS BOUND TO PLACES EAST OF THE CAPE OR FIJI VIA TORRES STRAITS.			
	FOR 20 WEEKS.		FOR 12 WEEKS.			
	Weight.	Number.	Weight.	Number.		
Soap	100 lb	...	50	...	In cases	For hospital use, washing painted parts of between decks, etc. For emigrants' use.
„ Marine	100 „	...	...	...	Ditto	
Cloth lines	600	1 set	300	1 set	...	
Sydney stones and fire-bricks . .	...	25	...	12	...	
Dried cocoanuts	...	25	...	12	...	
Sand	1 ton	...	$\frac{1}{2}$ ton	...	Bags	
Swabs	...	8	...	4	...

EMIGRATION.

Dated Calcutta, the 7th March 1933.

NOTIFICATION.

IN exercise of the powers conferred by Section 80 of the Indian Emigration Act, XXI of 1883, the Governor General in Council is pleased to make the follow-
ing amendments and additions to the Rules relating to Colonial Emigration
published with Revenue and Agricultural Department Notification No. 94 E.,
dated the 18th March 1886:—

1. Below the words "Firewood or Coal" in column "Articles" in Sub-
division (A) of Colonial Emigration Form 29 following Rule 116 A, add the word
"Water."
2. For Scale No. 2 (C)—"Of Medical Comforts" in Schedule G of the
Appendix to the Rules, substitute the following:—

SCALE No. 2.

(C)—OF MEDICAL COMFORTS.

Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a)	(b)	How to be packed.	REMARKS.
	In ships bound to places west of the Cape and to Fiji via South Australia, cal- culated for a voyage of 20 weeks.	In ships bound to places east of the Cape and to Fiji via Torres Straits, calculated for a voyage of 12 weeks.		
Chicken broth	lb 50	lb 50	In one pound and half pound tins.	Half to be Anglo-Swiss Brand and half unsweetened milk (if condens- ed), "Dhalls" or 1st Swiss Brand, otherwise five times the quantity. The contents of a pound tin mixed with $\frac{1}{2}$ a gallon of warm water makes good milk. This article is intended to be used at the Sur- geon's discretion for infants, nurs- ing mothers, invalids, and others to whom its issue may be con- sidered expedient.
Mutton do.	50	None.		
Meat Peptonoids, Carnick's or other approved.	1	$\frac{1}{2}$		
Brand's Essence of Beef	1	$\frac{1}{2}$	In four ounce tins.	
Milk, preserved	480	240	Ditto . .	
Sago	80	40	In tins.	
Arrowroot	80	40	Do.	
Soojee	50	25	Do.	
Flour (fine)	30	None.	Barrels.	
Sugar	600	300	Bags.	
Tea	5	None.	Tins.	
Bael fruit (candied)	30	15	Do.	
Lime-juice	40 gallons	15 gallons	Bottles . .	If not the whole, at least two-thirds should be non-alcoholic.
Brandy	8 "	3 "	Do. . . .	At Surgeon's request port or any other approved wine may be sub- stituted in such quantity as may be equivalent to the money value of not more than one-third of the total quantity of brandy to be shipped according to scale.

The total quantity of each article shall be shipped according to above scale, in either column (a) or column (b) as the
case may be, in proportion to the length of voyage in either case, and to the total number of emigrants to be conveyed.

4. For Scale No. 3 (A)—“Of Medicines” in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 3.

SCALE OF MEDICINES AND MISCELLANEOUS MEDICAL STORES FOR EMIGRANT VESSELS.

No. 514.
13.

GOVERNMENT OF INDIA.
REVENUE AND AGRICULTURAL DEPARTMENT.

EMIGRATION.

Dated Calcutta, the 7th March 1983.

NOTIFICATION.

IN exercise of the powers conferred by Section 80 of the Indian Emigration Act, XXI of 1883, the Governor General in Council is pleased to make the following amendments and additions to the Rules relating to Colonial Emigration published with Revenue and Agricultural Department Notification No. 94 E., dated the 18th March 1886:—

1. Below the words "Firewood or Coal" in column "Articles" in Sub-division (A) of Colonial Emigration Form 29 following Rule 116 A, add the word "Water."

2. For Scale No. 2 (C)—"Of Medical Comforts" in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 2.

(C)—OF MEDICAL COMFORTS.

Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a)	(b)	How to be packed.	REMARKS.
	In ships bound to places west of the Cape and to Fiji via South Australia, calculated for a voyage of 20 weeks.	In ships bound to places east of the Cape and to Fiji via Torres Straits, calculated for a voyage of 12 weeks.		
Chicken broth	lb 50	lb 50	} In one pound and half pound tins. In four ounce tins.	Half to be Anglo-Swiss Brand and half unsweetened milk (if condensed), "Dhalls" or 1st Swiss Brand, otherwise five times the quantity. The contents of a pound tin mixed with $\frac{1}{2}$ a gallon of warm water makes good milk. This article is intended to be used at the Surgeon's discretion for infants, nursing mothers, invalids, and others to whom its issue may be considered expedient.
Mutton do.	50	None.		
Meat Peptonoid, Carnrick's or other approved.	1	$\frac{1}{2}$		
Brand's Essence of Beef	1	$\frac{1}{2}$	Ditto . .	
Milk, preserved :	480	240		
Sago	80	40	In tins.	
Arrowroot	80	40	Do.	
Soojee	50	25	Do.	
Flour (fine)	30	None.	Barrels.	
Sugar	600	300	Bags.	
Tea	5	None.	Tins.	
Bael fruit (candied)	30	15	Do.	
Lime-juice	40 gallons	15 gallons	Bottles . .	If not the whole, at least two-thirds should be non-alcoholic.
Brandy	8 "	3 "	Do. . .	At Surgeon's request port or any other approved wine may be substituted in such quantity as may be equivalent to the money value of not more than one-third of the total quantity of brandy to be shipped according to scale.

The total quantity of each article shall be shipped according to above scale, in either column (a) or column (b) as the case may be, in proportion to the length of voyage in either case, and to the total number of emigrants to be conveyed.

4. For Scale No. 3 (A)—“Of Medicines” in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 3.
SCALE OF MEDICINES AND MISCELLANEOUS MEDICAL STORES FOR EMIGRANT VESSELS.

By order,

J. W. P. MUIR-MACKENZIE,

Under-Secretary to the Government of India.

Government of India Central Printing Office.—No. 1032 R. and A.—8-3-93.—125.

NO. $\frac{514}{13}$.

GOVERNMENT OF INDIA.
REVENUE AND AGRICULTURAL DEPARTMENT.

EMIGRATION.

Dated Calcutta, the 7th March 1983.

NOTIFICATION.

IN exercise of the powers conferred by Section 80 of the Indian Emigration Act, XXI of 1883, the Governor General in Council is pleased to make the following amendments and additions to the Rules relating to Colonial Emigration published with Revenue and Agricultural Department Notification No. 94 E., dated the 18th March 1886:—

1. Below the words "Firewood or Coal" in column "Articles" in Sub-division (A) of Colonial Emigration Form 29 following Rule 116 A, add the word "Water."

2. For Scale No. 2 (C)—"Of Medical Comforts" in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 2.

(C)—OF MEDICAL COMFORTS.

Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a) In ships bound to places west of the Cape and to Fiji via South Australia, calculated for a voyage of 20 weeks.	(b) In ships bound to places east of the Cape and to Fiji via Torres Straits, calculated for a voyage of 12 weeks.	How to be packed.	REMARKS.
Chicken broth	lb 50	lb 50	} In one pound and half pound tins. } In four ounce tins.	
Mutton do.	50	None.		
Meat Peptonoids, Carnrick's or other approved.	1	$\frac{1}{2}$		
Brand's Essence of Beef	1	$\frac{1}{2}$		
Milk, preserved	480	240	Ditto . .	Half to be Anglo-Swiss Brand and half unsweetened milk (if condensed), "Dhalls" or 1st Swiss Brand, otherwise five times the quantity. The contents of a pound tin mixed with $\frac{1}{2}$ a gallon of warm water makes good milk. This article is intended to be used at the Surgeon's discretion for infants, nursing mothers, invalids, and others to whom its issue may be considered expedient.
Sago	80	40	In tins.	
Arrowroot	80	40	Do.	
Soojee	50	25	Do.	
Flour (fine)	30	None.	Barrels.	
Sugar	600	300	Bags.	
Tea	5	None.	Tins.	
Bael fruit (candied)	30	15	Do.	
Lime-juice	40 gallons	15 gallons	Bottles . .	If not the whole, at least two-thirds should be non-alcoholic.
Brandy	8 "	3 "	Do. . .	At Surgeon's request port or any other approved wine may be substituted in such quantity as may be equivalent to the money value of not more than one-third of the total quantity of brandy to be shipped according to scale.

The total quantity of each article shall be shipped according to above scale, in either column (a) or column (b) as the case may be, in proportion to the length of voyage in either case, and to the total number of emigrants to be conveyed.

3. For Scale No. 2 (E)—“Of Miscellaneous Articles” in Schedule G of the Appendix to the Rules, substitute the following:—

SCALE No. 2.

(E)—OF MISCELLANEOUS ARTICLES.

Showing the Quantities to be shipped for One Hundred Emigrants.

ARTICLES.	(a)		(b)		How TO BE PACKED.	REMARKS.	
	IN SHIPS BOUND TO PLACES WEST OF THE CAPE OR FIJI VIA SOUTH AUSTRALIA.		IN SHIPS BOUND TO PLACES EAST OF THE CAPE OR FIJI VIA TORRES STRAITS.
