To
THE Chief Secy. to Government
Public Department.

SIR,

In continuation of my letter to
289 dated the 23rd instant, I have the
honor to report that the Retired
Apothecaries named in the margin
are willing to accept civil employ-
ment in Burma. The third
Candidate on the list (Mr. Browne)
is too advanced in age having been
a Doctor in 1840. I would therefore
recommend the selection of the
first two.

I await instructions regarding
their movements. It is presumed
that they will be given return
passage when the tenure of their
appointment is over.
