 I have found the
 Draft. So long as the
 Act is satisfied ~~as a matter of fact~~
 it doesn't matter about the ~~ST. GEORGE,~~

 by ^{super} Dear Sirs

I enclose the order which I refer in Weiss' case & also a DO from Reuther's. I thought it safer to travel the Exo. & send transfer with my money directly with to take over charge again by telegram. & this is

in the words

Justice Sanborn

by Mr. I should have said
the transfer as ineffectual
and that would be in
change of the appoint-
ment throughout.

But no doubt legal
difficulties might be
raised as to the power
to exercise judicial func-
tions in the present state
of affairs - If the Statutes

Quo is to be preserved
throughout the transfer
must clearly be cancelled
But I think a simple

method of being
provided in the Regula-
tion, and therefore left
open to any possible
legal objection, would
be to permit the
return of the clerk
from the Sheriffs by
telegram, & then let him
free to perform all ju-
dicial functions in due
course.

On the reception of the
transfer involved in this
would only be pro forma

This is the end of the transfer

I'm sure he would
 find if he is informed
 at once that he may
 have some change from
 India at the end of the
 year without returning to
 India. There is no objection
 in opening now.

I believe we should have
 had some change from
 India before the year
 1890. I was personally
 at the instruction to
 have some change from the
 year was given to meet
 the exigency of the war
 India during the time for
 which is anticipated of the
 year without returning to
 India. It is as the consequence
 of the report of course
 he was not to have some change
 but he seems to have forgotten.
 I don't see how the transfer
 can be cancelled merely by
 agreement. However he was
 that I understood as correct
 by the Government of India.
 I don't think it is the change
 at once by the Government. He then
 says he is in India.
 The 11th - after that

For Orders

With reference to para 2 of
C. No. 968 Mr. Weld has been granted
furlough from or after the 29th May
as requested in his letter of 21st
March in L.O. of 28.3.93. R. No.
332. The date can be altered to
28th May.

It has already been decided
(vide pencil note of orders from Council
in L.O. of 28.3.93. R. No. 332) that
Mr. Weld is to be permitted to hand
over charge by telegram from
Madras at the end of the recess. It
seems too early to pass orders on
the point now.

Para 4 of C. No. 968 will
be referred to the Accountant General
for report and action will be taken
on it separately.

Para 3 of C. No. 968 and
No. 129 are submitted for orders.

Perhaps the safest course will be
to re-appoint Mr. ^{Weld} ~~Weld~~ to be
at 28th March.

My dear Mr. Jackson

I unfortunately gave the words of your O.O. of the 27th inst. "In any case you should hand over to the Sheristidar on the last working day before the recess". too wide an interpretation, thinking that they referred to all cases of taking work on immediately after recess. I handed over charge of the Kurnool Court to the Sheristidar in the afternoon of the 27th inst. finding that there is error in it so I consulted you & by advice I went to the Account General. He advised I should let the Sheristidar jointly with me, a
