No. 263.

MEMORANDUM.

With reference to G.O., dated 15th September 1888, No. 902, Public, paragraph 4 (iv), the Registrar-General of Births, Deaths and Marriages is requested to explain why no reports of the work done under Act VI of 1886 for 1890-91 and 1891-92 have been submitted to Government. The last report received is that for 1889-90 recorded in G.O., dated 16th October 1890, No. 689, Public.

(Signed) C. A. GALTON,
Ag. Chief Secretary.

8th February 1893.

To the Registrar-General of Births, Deaths and Marriages.

Memorandum, dated 11th March 1893, No. 474.

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGAR Avargal, Dewan Bahadur, Registrar-General of Births, Deaths and Marriages, to the Chief Secretary to Government, dated Madras, 13th March 1893, No. 58 G.

Adverting to official memo., dated 8th February 1893, No. 263, Public, I have the honour to state that the statistics furnished in the reports of the previous years, more especially as regards marriages of Native Christians, being incomplete, I had intended to analyse the statistics of marriages for the year 1890-91 in the report for that year, somewhat in the manner in which similar English statistics are analysed in the reports for the United Kingdom and Ireland, on receipt of the returns from the Registrar of the Diocese and the Very Reverend the Roman Catholic Archbishop. These returns are received after considerable delay owing to the difficulty in collecting and examining them. The dates on which several returns for the quarters of the years 1890-91 and 1891-92 were received are shown below:—

		Returns from the Roman Catholic Archbishop.	Returns from the Registrar of the Diocese.
For the 2nd quarter of 1890	...	23rd Sept. 1890.	31st Oct. 1890.
" 3rd "	...	23rd May 1891.	5th June 1891.
" 4th "	...	16th June "	3rd July "
" 1st " 1891	...	17th "	6th Nov. "
" 2nd "	...	21st Jan. 1892.	3rd Mar. 1892.
" 3rd "	...	"	12th Aug. "
" 4th "	...	"	21st Nov. "
" 1st " 1892	...	2nd Oct. 1892.	"

The returns from the Registrar of the Diocese for the first quarter of 1892 have not yet been received and the similar returns received from the Roman Catholic Archbishop (which were received on 2nd October 1892) had to be returned for correction of mistakes in November last. They have not since been received back. As regards returns of Native Christian marriages which were required to be furnished under G.O., dated 17th July 1891, No. 585, Public, returns have been received as yet for only one district, viz., Tinnevely. I have addressed the Ecclesiastical authorities in view to the transmission of the returns of the other districts being expedited.

2. I must, however, now express my great regret that, in the circumstances of the case, I did not as usual submit a brief report for each of the two years reserving a fuller analysis of the statistics when all the returns have been completely received. A brief report for the two years has now been prepared and it will be submitted this evening.

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGAR Avargal, Dewan Bahadur, Registrar-General of Births, Deaths and Marriages, to the Chief Secretary to Government, dated Madras, 13th March 1893, No. 59 G.

With reference to G.O., dated 15th September 1888, No. 902, Public, paragraph 4 (iv), I have the honour to submit a brief report on the work done under the Births, Deaths and Marriages Registration Act (VI of 1886) during the two years ending the 31st March 1891 and 31st March 1892.

2. *Registration of Births and Deaths under Act VI of 1886.*—The number of Registrars of Births and Deaths appointed under Act VI of 1886, which was 75 in 1889-90, increased to 78 in 1890-91 and to 112 in 1891-92. The distribution of the Registrars among the several provinces is shown in the subjoined statement:—

3. In 1890-91 there was a falling off in the number of births and deaths registered under Act VI of 1886, being 32 and 12, respectively, against 35 and 21, respectively, in 1889-90. In 1891-92 there was a considerable increase in the number of registrations which was 85 in the case of births and 36 in the case of deaths. The increase is mainly due to the efforts of the Missionaries belonging to the Basel German Mission who explained to their congregations the advantages of registration under the Act. So long, however, as registration is voluntary, there does not appear to be much likelihood of the provisions of the Act being availed of by the people with a view to secure evidence of the dates of births and deaths for future use. The subjoined statement shows the number of births and deaths registered in each province:—

4. *Registration of Marriages.*—The number of persons who held appointments of Registrars under sections 7 and 8 of the Indian Christian Marriage Act (XV of 1872) was 54 in 1890-91 and 55 in 1891-92, and the number of persons licensed under sections 6 and 9 of the Act to solemnize marriages and grant certificates of marriages to Native Christians was 384 in 1890-91 and 416 in 1891-92 against 360 in 1889-90. The number of Marriage Registrars and licensed persons in each province is noted below:—

	Marriage Registrars.			Licensed persons to solemnize marriages and grant certificates of Marriages to Native Christians.

Eight of the 55 Marriage Registrars in 1891-92 did not exercise their functions. One Registrar belonging to the Mysore Province died and 3 others went home on furlough, and 3 more were transferred to other provinces. One Registrar belonging to the Hyderabad Province was transferred to another province.

5. The number of marriages of European Christians registered under Act XV of 1872 was 358 in 1890-91 and 381 in 1891-92 against 321 in 1889-90. The particulars of European Christian marriages are given below:—

	1889-90.	1890-91.	1891-92.
European Christian marriages solemnized by the Clergymen of the Churches of England and Scotland as per returns received from the Registrar of the Archdeaconry ...	226	220	224

Do. do. do. in the Mysore Province ...	15	14	18
Do. do. do. by ministers licensed under section 6 ...	18	30	21
Total ...	321	358	381

The number of Native Christian marriages for which returns have been sent to my office were 3,245 and 3,624, respectively, in 1890-91 and 1891-92 against 3,766 in 1889-90. The returns of Native Christian marriages are, however, still very incomplete. In my letter printed in G.O., dated 17th July 1891, No. 585, Public, I brought to the notice of Government that certificates of marriages of Native Christians were not being received from Clergymen of the Churches of England and Scotland, in accordance with the provisions of sections 62 and 63 of Act XV of 1872, and Government was pleased to call the attention of the Ecclesiastical authorities concerned to the necessity for compliance with the requirements of the law. I have received returns from only one district, viz., Tinnevely, and as there is a pretty large Christian population in other districts also, I have addressed the Registrar of the Diocese, in view to the transmission of the returns by Clergymen who have not yet sent them being expedited.

6. The following statement shows the average age of European and Native Christians married during 1890-91 and 1891-92 calculated from the returns which have been received in this office :—

Year.	Classes.]	Number of entries of Marriages.	Average age of Males.	Average age of Females.
1890-91	Native Christians	3,109	23·8	17·2
1891-92	Do.	3,190	24·0	17·5
1890-91	European Christians	330	28·1	21·6

7. As in the year 1889-90, no work was done during the years under report under the Parsee Marriage and Divorce Act, 1865; and the Marriage Act III of 1872.

8. *Baptisms and Burials of European Christians.*—The number of baptisms and burials reported in 1890-91 under the Ecclesiastical rules of 1885 was 1,417 and 988 and in 1891-92, 1,343 and 1,154 against 1,376 and 917 in 1889-90, respectively. The particulars are shown in the subjoined statement :—

By other Ministers	16	8	53	45	26	19
Total	1,376	917	1,417	988	1,343	1,154

9. *Searches made and certificates granted.*—The number of searches made in the records of baptisms and burials, in my office was 23 and 22 in 1890-91 and 1891-92, respectively, against 1 in 1889-90. The number of copies of entries in the registers granted in the first two years was 11 and 14, respectively, against 1 in 1889-90. In the records of marriages 3 searches were made in 1890-91 and 6 in 1891-92 against 1 in 1889-90, the number of copies of entries in these records granted being 2 in 1890-91 and 5 in 1891-92 against 1 in 1889-90. The fees collected in my office for the searches and copies were Rs. 41 and Rs. 50-12-0 in 1890-91 and 1891-92 against Rs. 2-12-0 in 1889-90. One certificate was granted under sections 23 and 25 of Act VI of 1886 in the Kurnool District by the Registrar of Births and Deaths free of charge under the proviso to rule No. 19 of the rules under *Act VI of 1886*. The other Registrars in the Madras Presidency granted 4 certificates under sections 23 and 25 of Act VI of 1886 and collected Rs. 4 as fees against the same amount in 1889-90. There was no certificate granted in 1890-91. The Registrars in Mysore collected Rs. 6 in 1890-91 and Re. 1 in 1891-92 against Re. 1 in 1889-90 for similar certificates. The Registrar in Travancore collected Re. 1 in 1890-91, but nothing in 1889-90 or 1891-92. One certificate was granted in 1891-92 by the Revd. J. Duthie, the Registrar of Births, Deaths and Marriages in Travancore; but he, by oversight, omitted to levy a fee of Re. 1 prescribed therefor. The fees collected by Marriage Registrars in the Madras Presidency under sections 82 and 83 of Act XV of 1872 amounted to Rs. 135 and Rs. 84-8-0 in 1890-91 and 1891-92 against Rs. 132-8-0 in 1889-90. In Mysore the collections amounted to Rs. 54-9-0 and Rs. 48 in the two years under report. In Travancore Rs. 11 were collected in 1890-91, but there were no collections in 1891-92.

10. The Statement II shows the charges incurred in my office and in the districts. The charges paid for in cash in my office amounted to Rs. 352-9-0 and Rs. 749-6-0, respectively, in 1890-91 and 1891-92 against Rs. 734-3-2 in 1889-90. The charges in 1889-90 were higher than those in 1890-91, mainly because 4 almirahs were purchased for the custody of records in the former year under the sanction granted in G.Os., dated 30th April and 5th August 1889, Nos. 386 and 656, Public. The increase of expenditure in 1891-92 as compared with 1890-91 is chiefly due to the charges, amounting to Rs. 209, incurred on account of Dindigul locks purchased for the record boxes supplied to the Registrars in the districts, out of the amount of Rs. 841-13-0 sanctioned in G.Os., dated 20th September 1890 and 14th October 1891, Nos. 648 and 874, Public. The District charges amounted to Rs. 440-15-0 and Rs. 214-2-5, respectively, in 1890-91 and 1891-92 against Rs. 45-14-6 in 1889-90. The charges in the two former years include Rs. 612-5-0 expended in making record boxes for the use of Registrars under the sanction conveyed in the Government Orders above referred to. Charges not paid for in cash on account of stationery and printing of forms amounted to Rs. 1,131-8-4 and Rs. 92-2-5, respectively, in 1890-91 and 1891-92 against Rs. 2,428-7-6 in 1889-90. The expenditure in 1889-90 and 1890-91 was exceptionally heavy as all the Registrars were supplied with new books and forms in those two years.

11. Registers received in my office for validation under section 32 of Act VI of 1886 were examined and certified by the Commissioners appointed by the Government of India under notification, dated 17th October 1890, No. 1523, and a report was furnished to Government and disposed of in G.O., dated 24th June 1892, No. 431, Public. The registers certified were also returned to the senders who were authorized to grant authenticated copies of entries in them under section 35 (2) of the Act.

12. In conclusion, I must express my great regret at the delay which has taken place in submitting the reports for 1890-91 and 1891-92 and for which I have submitted an explanation in my letter, dated 13th March 1893, No. 58 G.

SIR,

Adverting to official Memorandum
dated 8th February 1893 No. 263. Public, I have the honor
to state that the statistics furnished in the
reports of the previous years more especially
as regards marriages of Native Christians
being incomplete I had intended to analyze
the statistics of marriages for the year 1891
in the report for that year somewhat in
manner in which similar English statistics

no from the Registrar of the Diocese and the Very Reverend the Roman Catholic Archbishop. These returns are received after considerable delay owing to the difficulty in collecting and examining them. The dates on which several returns for the quarters of the years 1890-91 and 1891-92 were received are shown in the margin.

The return from the Registrar of the Diocese for the first quarter of 1892 have not yet been received and the similar returns received from the Roman Catholic Archbishop which were received on 2nd October 1892. had to be returned for correction of mistakes in November last. They have not since been received back. As regards returns of Native Christian Marriages which were required to be furnished

for only one district viz. *Tinnevely* I have addressed the Ecclesiastical Authorities in view to the transmission of the returns of the other districts being expedited.

2. I must however now express my great regret that in the circumstances of the case I did not as usual submit a brief report for each of the two years reserving a fuller analysis of the statistics when all the returns have been completely received. A brief report for the two years has now been prepared and it will be submitted this evening.

the honor to submit a brief report on the work

In 1891-92 there was a considerable increase in the number of registrations which was 85 in the case of births and 36 in the case of deaths. The increase is mainly due to the efforts of the missionaries belonging to the Basel German Mission who explained to their congregations the advantages

as regards the registration of the provisions of the Act being availed of by the people with a view to secure evidence of the dates of births and deaths for future use. The subjoined Statement shows the number of births and deaths registered in each province.

The returns of Native Christian Marriages

I thought to the notice of Government that certificates of marriages of Native Christians were not being received from Clergymen of the Churches of England and Scotland in accordance with the provisions of sections 62 and 63 of Act XV of 1872, and Government was pleased to call the attention of the Ecclesiastical Authorities concerned, to the necessity for compliance with the requirements of the law. I have received returns from only one district, viz. Tinnevely, and as there is a pretty large Christian population in other districts also, I have addressed the Registrar of the Diocese, in view to the transmission of the returns by clergy-men who have not yet set them being expedited.

6. The following statement shows the average age of European and Native Christians married during 1890-91 and 1891-92. Calculated from the returns

No. 263.

MEMORANDUM.

With reference to G.O., dated 15th September 1888, No. 902, Public, paragraph 4 (iv), the Registrar-General of Births, Deaths and Marriages is requested to explain why no reports of the work done under Act VI of 1886 for 1890-91 and 1891-92 have been submitted to Government. The last report received is that for 1889-90 recorded in G.O., dated 16th October 1890, No. 689, Public.

(Signed) C. A. GALTON,
Ag. Chief Secretary.

8th February 1893.

To the Registrar-General of Births, Deaths and Marriages.

Memorandum, dated 11th March 1893, No. 474.

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGAR Avergal, Dewan Bahadur, Registrar-General of Births, Deaths and Marriages, to the Chief Secretary to Government, dated Madras, 13th March 1893, No. 58 G.

Adverting to official memo., dated 8th February 1893, No. 263, Public, I have the honour to state that the statistics furnished in the reports of the previous years, more especially as regards marriages of Native Christians, being incomplete, I had intended to analyse the statistics of marriages for the year 1890-91 in the report for that year, somewhat in the manner in which similar English statistics are analysed in the reports for the United Kingdom and Ireland, on receipt of the returns from the Registrar of the Diocese and the Very Reverend the Roman Catholic Archbishop. These returns are received after considerable delay owing to the difficulty in collecting and examining them. The dates on which several returns for the quarters of the years 1890-91 and 1891-92 were received are shown below:—

		Returns from the Roman Catholic Archbishop.	Returns from the Registrar of the Diocese.
For the 2nd quarter of 1890	...	23rd Sept. 1890.	31st Oct. 1890.
" 3rd "	...	23rd May 1891.	5th June 1891.
" 4th "	...	16th June "	3rd July "
" 1st 1891	...	17th "	6th Nov. "
" 2nd "	...	21st Jan. 1892.	3rd Mar. 1892.
" 3rd "	...	...	12th Aug. "
" 4th "	...	2nd Oct. 1892.	21st Nov. "
" 1st 1892	...		...

The return from the Registrar of the Diocese for the first quarter of 1892 have not yet been received and the similar returns received from the Roman Catholic Archbishop (which were received on 2nd October 1892) had to be returned for correction of mistakes in November last. They have not since been received back. As regards returns of Native Christian marriages which were required to be furnished under G.O., dated 17th July 1891, No. 585, Public, returns have been received as yet for only one district, viz., Tinnevely. I have addressed the Ecclesiastical authorities in view to the transmission of the returns of the other districts being expedited.

2. I must, however, now express my great regret that, in the circumstances of the case, I did not as usual submit a brief report for each of the two years reserving a fuller analysis of the statistics when all the returns have been completely received. A brief report for the two years has now been prepared and it will be submitted this evening.

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGR Avargal, Dewan Bahadur, Registrar-General of Births, Deaths and Marriages, to the Chief Secretary to Government, dated Madras, 13th March 1893, No. 59 G.

With reference to G.O., dated 15th September 1888, No. 902, Public, paragraph 4 (iv), I have the honour to submit a brief report on the work done under the Births, Deaths and Marriages Registration Act (VI of 1886) during the two years ending the 31st March 1891 and 31st March 1892.

2. *Registration of Births and Deaths under Act VI of 1886.*—The number of Registrars of Births and Deaths appointed under Act VI of 1886, which was 75 in 1889-90, increased to 78 in 1890-91 and to 112 in 1891-92. The distribution of the Registrars among the several provinces is shown in the subjoined statement:—

3. In 1890-91 there was a falling off in the number of births and deaths registered under Act VI of 1886, being 32 and 12, respectively, against 35 and 21, respectively, in 1889-90. In 1891-92 there was a considerable increase in the number of registrations which was 85 in the case of births and 36 in the case of deaths. The increase is mainly due to the efforts of the Missionaries belonging to the Basel German Mission who explained to their congregations the advantages of registration under the Act. So long, however, as registration is voluntary, there does not appear to be much likelihood of the provisions of the Act being availed of by the people with a view to secure evidence of the dates of births and deaths for future use. The subjoined statement shows the number of births and deaths registered in each province:—
