I pray therefore that in passing orders on his case the Government will be pleased not to accept his resignation but to grant him time for sober consideration.

Intimation of this circumstance reached me only today as I am away from my station on leave. Fearing that the Surgeon-General might have already addressed the Government on the subject I address this under an urgent cover sending a similar communication to the Surgeon-General with the Government of Madras.

Begging you to pardon me for the liberty I have taken in addressing you

I beg to remain

Urgent

From M. S. Manuel Pillai
Clerk, Collector's Office, Tanjore
(now on sick leave Royapettah, Madras)
and brother of S. W. Manikkam
Assistant Surgeon
Arcotapur,

To The Chief Secretary
to Government
Fort Saint George
Madras.

Sir, I beg to bring to your notice that my brother S. W. Manikkam, Assistant Surgeon, Arcotapur, has addressed the Surgeon-General with the Government of Madras with a view to resigning the Service while laboring under some strange delusion which can be speedily removed by the advice and influence of friends and relations should the opportunity be allowed him prior to the final steps decided upon. I fear that his resignation may be forwarded to Government by the Surgeon-General recommending ~~the~~ acceptance on the strength of the recommendation of the District Surgeon.

In connection with this matter I beg to represent that the said Assistant Surgeon S. W. Manikkam is 31 years of age & unmarried. It will be really deplorable not only to himself but also painful to his relations that one so young & promising should on such slender grounds be allowed to resign the Service.
