1892 N. 835 Public.

As the application has been referred to the Government of India for sanction I would prefer to proceed direct from India, via Constantinople, as has I understand been done by Mr. J. D. Rees, if that can be done. I would wish, however, to be in Russia in any case about the beginning of July so as to be able to appear for the examination 3rd April 1894 in London.

108
do not wish to make any application which would entail delay. I would ask that the Government of Madras may be pleased to inform the Govt of India, in continuation of my former application, that I am willing to proceed to Russia either from India via Constantinople or from England, as they may think fit. I have also the honor to ask that the orders of the Government of India be solicited by telegram.
