SIR,

In returning the telegram from
the Government of India referred to me
for report with your endorsement
no. 2073 dated the 24th December
1892, I have the honor to state that
the terms offered being liberal, there
is every probability of pensioned
apothecaries applying for the
temporary appointment at Amrasti
if advertised for. This office has
no information regarding any
pensioned apothecary likely to
take the appointment if offered to
him. As a rule apothecaries
when pensioned have private
means of supplementing their
income and rarely apply to this

office
