The order of Government appointing Surgeon Major J. W. Evans to act as District Surgeon, Tinnevely, is required to enable this office to allow him the pay of that appointment from 6th to 9th November 1892.

As Surgeon Major J. W. Evans landed at Bombay on return from furlough on 17th October 1892, receiving orders to proceed to Tinnevely on the 31st idem, and took charge of his duties at that station on the afternoon of the 5th November 1892, he did not overstay the subsidiary leave admissible to him under the rules and it is unnecessary that Government should grant the extension proposed by the Surgeon General.

Surgeon Captain C. Adams having delivered over charge of the office of District Surgeon, Tinnevely, to Surgeon Major J. W. Evans on the afternoon of the 5th November 1892 and taken over charge again from that officer on the 10th idem, it is necessary that Surgeon Captain Adams should be re-appointed to act in that appointment from the latter date to enable this office to admit his salary as Acting District Surgeon, Tinnevely.

new appointment at once (which he did on the afternoon of the 5th Nov.) and the usual minute of appointment submitted with my letter N^o 719 of the 5th November, but in the meantime a telegram was received from His Excellency the Governor, Camp Tinnevely directing that D^r Evans be sent to Chittoor and D^r Adams allowed to continue to act at Tinnevely. Accordingly a revised minute of appointment regarding D^r Evans was submitted with my letter N^o 734 of the 15th November. To enable D^r Evans therefore to draw pay for the short period he was in Tinnevely the above Departmental arrangement should be confirmed and communicated to the Accountant General.

2. Para II of the Accountant General's letter requires no action as D^r Evans's appointment to Chittoor submitted with my letter of the 15th November will shortly be notified in the Fort Saint George Gazette.

3. As regards para III it may be explained that D^r Evans having been recommended for Tinnevely was detained at Madras on his arrival from England to prevent unnecessary & merely formal transfers with a view to the saving of public expense. As article 198 Civil Service Regulations provides for such cases, I request that his joining time

time may be extended to 20 days.
