Despatch from the Secretary of State for India,
No.114 Public (Emigration) dated 8th December 1892.

In continuation of my Despatch No.81 of the 25th
August last, I forward, for your Excellency's information,
No.27 dated 4th October 1892 & enclosure. a copy of a
despatch from the British Consul at Reunion, on the sub-
ject of the appointment of an unqualified medical
practitioner to take charge of the repatriated Indian
Emigrants in the S.S. "Madagascar".

2. Your Excellency's despatch on this subject, No.88
(Emigration) of the 26th October last, has been duly
communicated to the Foreign Office.

No.27. Reunion, October 4th 1892.

My Lord,

I have the honor to acknowledge the receipt of Sir
Thomas Sanderson's despatch No.4 of the 24th of August,
upon the subject of the medical charge of the Coolies
sent back to India in the French steamer "Madagascar" and
requesting Mr.Bell to furnish Your Lordship with a copy
of the Instructions of the French Government of August
11th 1890 if procurable.

In reply I have the honor to state that the instruc-
tions in question were shown to Mr.Bell confidentially
and he has no copy of them.

There appears, in 1890, to have been an unqualified
practitioner who was anxious to take charge of a Convoy
going to India, but being passed over in favour of a
regular Doctor, he appealed to Paris, and M.Etienne in the
note referred to by Mr.Bell expressed to the Governor of
Reunion his approval of the application^{ant} being passed over

NOTE FOR THE CHIEF SECY

I think that things
~~should~~ should
given papers like
this to account.

I am not sure about
