GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Surgeon-Major-General W. F. DEFABECK, M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 16th January 1893, No. 38.

With reference to G.O., No. 571, Public, dated the 19th August 1892, I have the honour to forward the enclosed correspondence and to recommend that, as requested by the Committee of the Lawrence Asylum, Ootacamund, the appointment of the medical subordinate to the Asylum may be included in the list of appointments reserved for commissioned and warrant medical officers of the Sub-Medical Department.

ENCLOSURES.

From Surgeon-Major J. MAITLAND, M.D., Civil Surgeon, Ootacamund, and Consulting Physician, Lawrence Asylum, Lovedale, to the Secretary to the Surgeon-General with the Government of Madras, dated Lovedale, 9th December 1892, No. 7.

I have the honour to enclose two extracts from proceedings of the Committee of the Lawrence Asylum, Ootacamund, dated, respectively, the 10th July 1889 and 26th October 1892.

2. With reference to these, I would suggest that the appointment of the medical subordinate to the Asylum should be added to the list of those for which military subordinates are to be seconded. In my opinion, it is extremely desirable that a military medical subordinate should always be appointed to the Lawrence Asylum in preference to a civil apothecary.

EXTRACT from the Proceedings of the Committee of the Lawrence Asylum, Ootacamund, dated 10th July 1889.

No. 11.

•Resolved—That the Committee would ask the Surgeon-General to appoint, if possible, a military medical subordinate in succession to Mr. D'Sylva.

EXTRACT from the Proceedings of the Committee of the Ootacamund Lawrence Asylum, dated 26th October 1892.

B. Resolved, in accordance with the proposition of Surgeon-Major G. Maitland, that the Surgeon-General with the Government of Madras be asked to arrange, if possible, that a military medical subordinate should always be appointed to the charge of the Asylum.

ORDER—dated 26th January 1893, No. 51, Public.

For orders. There are no doubt advantages to be gained from having a military man in such a position but it wd. be extremely awkward if he were suddenly withdrawn for field service. If there were two med. subs: at the Asylum one civil & one military, it wd. not matter so much.
