No. 6204.

From

D. DUNCAN, Esq., M.A., D.Sc.,

Assistant Director of Public Instruction,

Madras,

To

The Honble the Chief Secretary
to Government
Fort St George.

Sir,

Referring to G.O. dated 1st
February 1893, No. 102, Public, communicat-
ing a copy of the pamphlet containing the
rules regulating the conduct of public
servants, I have the honor to advise
that the sections relating to, Land and
property, Loans and Investments,
are applicable to officers of the
Educational Department, gazetted
as well as non-gazetted, in whole or in
part. While it is stated at the
head of the pamphlet that the
rules are applicable to all officers
excepting

excepting those belonging to the Military
Department and the Indian Civil
Service, reference is made in the body
only to the Executive officers of the
(Revenue and Judicial Departments;
such as Deputy Collectors, sub-judges,
Munsifs &c. In case it is decided
that the rules are applicable, I beg
to be informed whether an Educational
Officer may lend money at interest
to a brother officer of another Department
in the same locality, and how the
dealings of such an officer should
be regulated with respect to loans
and investments made prior to
their appointment to posts of responsi-
bility, to which the prohibitions

of

of Article 23 of Part III seem to apply.

I have the honor to be,

Sir,

Your most obedient servant,

L. J. [Signature]
Director of Public Instruction

I think that the rules as far as they
apply to Educational Officers - but I
do not see that they specifically deter
any Officer from lending money to other
Officers in other departments in certain
cases. I think the wording of the rule
should be so altered as to prevent
this. It would be as well to make
it clear that Educational Officers are
withheld among those specified.
I have noted on the other side
that I think all such cases as are
referred to should be reported for
the orders of Govt. after the rules
are altered as I suggest, there
ought to be no more of such cases
to report.

Resubmitted to the Honble Sir H.
Stokes K.C.S.I. & the Honble Mr.
Garratt C.S.I. with reference to
the Government.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

Case 1877.

Order, 3rd July 1893, No. 510.

The Director will be informed that the rules referred to, apply, as far as they go, to Educational Officers but that the Govt. does not consider that they specifically and absolutely debar any officers from lending money to Officers in other departments. The wording of the rules will however be altered in the Revd. Reports so as to render the prohibition absolute, advantage being taken of the opportunity to make it clear that ^{the intention is} Educational Officers are included among those specified.

2. As regards the cases mentioned in the enclosing portion of B. Duncan's letter, he will be requested to report such specific instances as may exist at present, for the order's effect.
