The Secy to the Govt of Madras.

7
Sir,

Sir,

Having learnt from the Hindi
of the 7th June that the next ~~for~~ Exa-
mination for the Madras Provincial
Civil Service is to be held in the early
part of January next, I beg to be allowed to
the honour of humbly pointing out the
disadvantages and injustice of the Gov-
ernment's resolution, and of humbly re-
questing the Government to change the
date of the said Examination to a date
when the results of all the Higher Exami-
nations of the University would have been
known, viz., about the beginning of April.

I need not point out to the Govern-
ment that it is only in the 3rd week of Jan.

may that all the Higher Examinations of the University are held. The results of those Examinations are generally published about the end of February. If so, then, the candidates for the Coming Provincial Service Examination, which is proposed to be held in the beginning of January, can be only those who are graduates now, and who have already had a chance of Competing for 3 posts in the Service, only two passing and being found fit. And if the same candidates who have been declared unfit in the last Examination be allowed to appear again without any new candidates being allowed to compete with them, is it not defeating the very ends for which the Examination is held?

Again, Sir, according to the proposed Scheme by which the Competitive Examination is held 3 months before the time

when the results of the University Higher Examinations are known, candidates will have to wait one full year after their passing their University Examinations. Is this not an unnecessary cause of waste of time and money, and of mental anxiety and suspense.

For these and other reasons, I, in the name of all my fellow would-be candidates, have the honor to humbly request the Government to reconsider its resolution, and to be kind enough to change the date from the 1st week of January to the 1st week of April or thereabouts.

Will you please allow me to humbly request you to let me have
