2. It would be inconvenient
to hold a special examination
for Mr. Holder, and the under-
signed cannot recommend it.
There is, moreover, no sufficient
reason given for making an
exception in this case. Mr.
Holder might come up in
January if Government is
pleased to extend the time.

S. Duncan Esq. M.A. DSc
Director of Public Instruction
Madras.

Sir,

I have the honour to request that if possible my examination in Tamil by the High Proficiency test may be postponed till the middle of September next.

My reason for making this request is that as the Government in kindly permitting me to appear again for the examination notified that in case of failure I shall not be permitted to appear again, I should like to be ^{more} thoroughly prepared. Since January last I have had very little spare time for study, latterly the inspection and reports on the work of the Anguman and the Madura Technical Institute took up much of my spare time.
