GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again the following letter from C. A. GALTON, Esq., Secretary to the Government of Madras, Revenue Department, to the Secretary to the Government of India, Finance and Commerce Department, dated 18th May 1893, No. 1863 :—

I am directed to forward the marginally-noted Proceedings of this Government G.O., dated 18th May 1893, No. 1862. and to solicit the orders of the Government of India in the following matter :—

Mr. Crole, I.C.S., Commissioner of Salt, Abkari and Separate Revenue, requested permission last February to proceed to Calcutta with a view to confer with the Bengal Government regarding certain matters connected with the administration of the Salt Revenue in Orissa, and His Excellency the Governor in Council sanctioned the request. The Accountant-General, however, observed in his letter of the 9th March last that under articles 73 and 1137 of the Civil Service Regulations the sanction of the Government of India was necessary for the deputation in question and accordingly requested that the Proceedings of this Government above referred to might be forwarded to the Government of India for confirmation. It was thereupon pointed out to the Accountant-General that under the power delegated to Local Governments in the second sentence of paragraph 3 of the Government of India Resolution, dated 17th March 1892, No. 1142, this Government would appear competent to sanction the deputation as under the current Provincial contract salt charges are debitable to Imperial and Provincial in fixed proportions. The Accountant-General while concurring in the view above expressed suggests that as the provisions of the Civil Service Regulations have not been amended in this particular, the point should be referred to the Government of India under article I thereof.

I am accordingly to request that the confirmation of the Government of India may be obtained to the sanction accorded by this Government to the deputation of Mr. Crole and his establishment beyond the limits of this Presidency and that this Government may be informed whether the sanction of the Government of India should be obtained in similar cases in future.

READ—also the following letter from R. A. GAMBLE, Esq., Officiating Under Secretary to the Government of India, Finance and Commerce Department, to the Secretary to the Government of Madras, dated Simla, 21st June 1893, No. P.-2589 :—

In reply to your letter No. 1863, dated the 18th May 1893, I am directed to say that the Proceedings of the Government of Madras sanctioning the deputation of Mr. C. S. Crole, Commissioner of Salt, Abkari and Separate Revenue, Madras, to Calcutta to confer with the Government of Bengal regarding certain matters connected with the administration of the Salt Revenue in Orissa, and authorising him to draw pay and allowances for himself and his establishment for the period of deputation are confirmed.

2. I am to add that in future the sanction of the Government of India will not be necessary to the deputation of an officer beyond the limits of his Province, when the pay and allowances of the officer are charged to a head or heads of Revenue divided between Imperial and Provincial in fixed proportions. An addition to this effect will be made to articles 73 and 1137 of the Civil Service Regulations.

Copy forwarded to the Accountant-General, Madras, for information.
