SIR,

I have the honor to report for the information of Government that as the annual repairs for the quarters of the Resident Apothecary and Matron of the Lying-in Hospital Madras are to be carried out by the Public Works Department, the completion of which will take three months, the Superintendent applies for permission to rent a house in the neighbourhood of the Hospital for temporary accommodation of these Officials. For this purpose he recommends a house which is the only one available at present in the Pantheon Road near the Hospital. The rent is Rupees 150 per mensem.

I request that Government will
Sanction

Sanction the renting of the house in question for a period of three months so that arrangements may be made at once for vacating the quarters for necessary repairs.

Correspondence bearing on the subject are herein enclosed.

I have the honor to be

SIR,

With reference to your endorsement No. 1158 dated
the 1st July 1893 referring for my remarks a letter from the
Surgeon General with the Government of Madras No. 9192 ~
dated the 24th June 1893 applying for sanction for renting
a house in the Pantheon Road for a period of three months
for the temporary occupation of the Resident Apothecary and the
Matron of the Lying-in Hospital, I have the honor to state that
there is no audit objection to a house being rented while
the quarters occupied by the two officers are under repairs.
As to the amount of the rent proposed, I would point out that
the Apothecary is entitled under the rules to a compensation
of Rs 45 only per mensem in lieu of free quarters and
the pay of the Matron who is entitled to free quarters is
only Rs 125-5-150 per mensem.

are available.

The enclosures to your reference are herewith returned.

The proposal of the Superintendent

lying in hospital to rent a house on No 150
for a period not exceeding three months
for the accommodation of the Resident
Apothecary and the Matron of the hospital
is sanctioned.

Note.

As pointed out by the A.G. the proposed
rent is very high but Dr. Braintree
says no other convenient house on
lower rent is available.

The rent proposed is a very heavy one
but there seems nothing else to do as
these officials must live as well as
the Surgeon General, the hospital
and the Accountant General.
