Sir,

With reference to your letter
No: 92 of the 29th October 1892, I
have the honor to forward copy of a letter
from the Principal Medical Officer
Her Majesty's Forces No: 2218 of 29th
Nov 1892 and to request that in the
circumstances stated therein you will be
good enough to submit the case to Govt
and obtain its sanction to the allowance
of Rs 20/- drawn by Surg: Capt: Hamilton
from 22nd to 24th April 1890.

instructions to Assistant Surgeon
Lafrenais to take charge of the Civil
duties at Cannanore, which he
did prior to the arrival at the station
of Surgeon Hamilton, but when the
latter reached Cannanore he relieved
the Assistant Surgeon of the Civil duties
in accordance with the instructions
contained in this Office telegram
No. 203 referred to above. If it was
not the intention of the Surgeon
General, with Government
that Surgeon Hamilton should
relieve the Assistant Surgeon,
the Military Department should have
been informed at once to that effect,
and the instructions sent by this
Office to the Administrative and
Officer, Southern District would
have been cancelled: but this
was not done till the 24th April
1890.

5. From the above remarks
it will be seen that the Military
Department is not liable to the
claim

"pending the arrival of Asst Surgeon
Lafrenais of Calicut".

3. At that time the only
Military Medical Officer at Cannanore
(Surgeon Quary) was dead, and Surgeon
Hamilton from Bangalore was ordered
to Cannanore to take charge of the
Military duties of the Station. At the
same time, acting on the request made
by the Surgeon General, that "the
Military Medical Officer at Cannanore
may be instructed to look after Surgeon
Roman's duties as a temporary measure",
the following telegram was dispatched by
this Office to the Administrative and
Officer Southern District, a copy of
which was duly communicated to the
Civil Department. No. 203, Surgeon
Hamilton directed by wire proceed
Cannanore vice Quary. Direct him
on arrival take charge temporarily of
Civil Surgery from Surgeon Roman
Sick or until arrival Surgeon Major
Power".

4. In the meantime the
Surgeon General with Govt
appears to have sent telegraphic
instructions

Sir,

With reference to Genl No. 3346
d/12 November 1892, forwarding copy of
Letter No. 9 d/29 October 1892 from
the Surgeon General (with Government of
Madras), I have the honor to offer the
following remarks.

2. On the 15th April 1890, the late
Surgeon Hernan sent the following telegram
to the Secretary Surgeon General (with
Government) "Am sick with fever please
arrange." This telegram was sent to this
Office by the Secretary Surgeon General
with a request that "the Military Medical
Officer at Cannanore may be instructed
to look after Surgeon Hernan's duties
as a temporary measure", and nothing was
then said that the Military Medical Officer
should hold charge of the Civil Station
"pending

2. Assistant Surgeon Lapreais
arrived at Cannanore and assumed Civil
Medical Charge of the Station on the 8th April 1890.
Eight days after this (22nd April) Surg. Capt
Hamilton again took over charge of the Civil
duties from the Assistant Surgeon. As it
was not the intention of this Office nor
were any orders issued that Surg. Capt
Hamilton should relieve the Assistant Surg,
the Civil Department is not liable
to any claim from that Officer for
holding charge of the Station from 22nd
to 2nd April 1890.
