SIR,

With reference to article 1204 Civil Service Regulations, I have the honor to request that the sanction of Government be obtained to the grant of passage money to the family of 2^d Class Hospital Assistant Edwards.

2/. This Hospital Assistant was transferred from Mangalore to Rajahmundry and left the former station on the 10th April 1892.

His family was not however able to accompany him owing to the illness of his daughter.

They subsequently joined him in September following. The Hospital Assistant produces a certificate from the Medical Subordinate attached to the Mangalore Dispensary who attended his daughter in support of his statement.

also reports that the Medical Subordinate
at Mangalore corroborates the certificate
given by him. Under these circumstances the
Hospital Assistant is entitled to passage
money for his family under the provisions
of the article quoted above.

The correspondence is enclosed for
information.

I have the honor to be
