OFFICE OF SANITARY COMMISSIONER,

From

Lt Col:
SURGEON-MAJOR J. A. LAING,
SANITARY COMMISSIONER,
Madras,

To

THE Chief Secretary to
Government,
Public Department.

SIR,

With reference to G.O. dated 6th July 1893 No. 523,
Public, I have the honor to state that I see no objection
to the substitution of the proposed Form No. II for the
one now in use. I am further of opinion that
the adoption of the form now proposed will render
Form B Superfluous. Information about popu-
-lation and death-rate appears already in
Form II, and that about drainage, water and
domestic cleansing and conservancy can be given
in column II of the revised form headed "Principal
Sanitary defects of circle". As regards conservancy
receipts and expenditure, the figures for these
can be furnished in the Report itself - a
separate paragraph being added to Section IX,
Sanitary Works - Civil (Municipalities).

Hm

The Sanitary Comm? considers that the adoption of the revised Form No II forwarded within? Lyall's letter in f. 6th July 1893 No 523 will render Form B on page 6 of f. 25th May 1892 No 1239, superfluous. This will however be true, at the most, of Columns 10 & 11 only of Form B. Mr. Laing therefore adds that the information conveyed by Columns 10 & 11 may be inserted in Section IX, Sanitary works, Civil & Municipalities, of the report itself. It is submitted that this is not a safe plan as it may be forgotten in future years. Columns 10 & 11 of Form B will therefore have to be added on all Columns 13 & 14 of the revised Form No II and if Form B is to be dispensed with. The heading of Column 11 of the revised Form will have also to be amplified by enumerating the subjects mentioned in the heading of Columns 6, 7 & 8 of Form B. Subject to these modifications the Sanitary Comm? recommends that the Govt of India may be accepted and the Govt of India informed accordingly.

Sir,

I am directed to acknowledge the receipt of Mr. Lyall's letter of 16th June 1893, No. 3/87, and with reference to para. 2 thereof enquiring whether there is any objection to the adoption of a statement in the form

Suggested

suggested for the revised annual form No. II circulated with letter No. ^{Sanitary} 35, of 24th February 1892, and for the form prescribed in para. 1 of Home Dept. letter No. ⁹ 233 of 27 July/88, and whether in the event of the new annual form No. II being adopted, form B circulated with the letter of the 24th Feb 1892 may be abolished, or whether it should be retained for municipalities alone, I am to state that H.C. the Govt. Council sees no objection to the adoption of the revised Form II now suggested, and to the abolition of Form B ^{referred to}, provided that columns 10 & 11 of the latter be added as columns 13 & 14
