express the difficulty which one is likely
to undergo with a poor sum of Rs 5. If
the applicant does not possess any qual-
ification to a higher appointment he should
get one only through His Excellency's Mercy.
If His Excellency were to please he can
occupy a better footing in any Dept. in this
Presidency than the present footing. Therefore
the applicant begs His Excellency to get
a better appointment at least for the
date of money.

For this act of charity he
shall as in duty ever pray for His Excellency's

His Excellency the Governor

in Council, Madras.

Most Honoured Gentlemen

With due respect and

humble submission, the applicant

Mr Padmanabha Rao, begs to bring

to your notice the following lines of his Excellency

kind consideration and favourable

orders.

The applicant is a native of

near Pondicherry and he was read

at Cuddalore in Saint Joseph's College

and he has studied as far as Matriculation examination, but he has

passed. To add to his misfortune his

father breathed his last in the same

year. So he was obliged to give up his

studies and to seek for some livelihood.

A big family is depending on him. He

has passed the Middle School examination in the 2nd class. If he has passed

any higher examination he can expect a better appointment. Since

he has passed only the Middle School examination, he does not know what

to do. Now he is a Local Fund School

master on Rs 5 (Rs five only) per mensem.

It is not necessary for him to express
