 Mr. Higgins leave was granted on the 7th July, information of Mr. Fremmerville having obtained an extension was received on the 18th July; that relating to Mr. Parker's extension was received about the 25th. Idem.
 It is quite possible that if Mr. O'F. should obtain leave on head and certificate the S of S will not consider him fit to proceed to Russia to study the language there.

I don't know what the Medical Board may do with Mr. O'Farrell - but the climate of Russia is rather different from that of Tanjore.

I could be any difficulty in procuring
 your friend
 Mr. James

 16. Aug. 93.

My dear Sir,

I told you in my previous letter that I did not feel in a fit state of health to carry on the work of a heavy Cont like Tanjore. Before the receipt of the for order on my application for leave I had applied to the District Surgeon of Tanjore

& after examination of my
case, he informs me that
he is prepared to give me
a medical certificate to
apply for pay under
sec 893 of the Civil Service
Regulations, but is precluded
from doing so, without the
authority of the Head of the
Department, (S.O. 28 May
1894 No 1196 Local &
Amended). I am writing
if you will kindly let
me have the necessary

letter from yourself to authorize him to
give the certificate. I am extremely sorry
to inconvenience Government, but I
do not think that in the present state of
health I can do further to a Court like
Tajore. I should have applied for a
medical certificate in the first instance
only & as leave had been granted to
Higgin & did not anticipate there

SECRETARY
JAN 17 1893
My dear Sir,

In continuation of my
former letter I enclose one
from Dr. Nailer. I shall be
glad if you would give
him permission of telegraph
to grant me the necessary
certificate to enable me to
apply to Government for
permission to appear before
a Medical Board.

Yours sincerely
M. J. Fane

My dear O'Farrell,

I think you should really go home as your liver is out of order. But I am sorry I cannot grant you a fectificate, without the authority of the Head of your Department.
