g.s.B. The Comr. makes in reference
21/8. to the Indian woman female referred
to in G.O. 12th Sept 1892 No 973.
The reason of this probably is that she
would not go to Madras for six months
for instruction.

There has been a great delay
in sending this matter up to Govt.
Apparently the Instruction Statement
was sent to the S.G. by the B.L. on
the 12th or 13th May and between that
time and the middle of July correspondence
was going on between the Comr. and
S.G.

As the woman has been appointed by one
to the Island we had better keep her.
25 Rs. pay is reasonable. How much?

In G.O. dt 30.3.92, No. 310 Rev: the necessity for a qualified Mussalman midwife for the Aminidivi Islands was brought to notice and the Surgeon General was consulted with. In the following September it was reported that one had been found and her application and certificate forwarded to the collector of South Canara for disposal.

In April last Mr. Power addressed the Board of Revenue, saying that he had advertised for a midwife for the work, had received an application from a qualified woman and had directed her to proceed to the Islands. He recommended that her pay should be fixed at Rs. 25/-.

The papers reached this dept on the 16th inst. Apparently the woman has been ~~in~~ at her work for the past 6 months.

Orders are requested whether the proposal
