Simla, the 29th June 1893.

SIR,

IN continuation of the letter from this Department No. 444-F., dated the 22nd April last, I am directed to forward, for the information of His Excellency the Governor in Council, a copy of the correspondence noted on the margin, from which it will be seen that Her Majesty's Secretary of State has sanctioned the retention up to the 31st March 1896 of the services of the four special Deputy Collectors engaged on forest-settlement work in the Madras Presidency, but has declined, on account of the additional expense involved, to sanction the entertainment of a fifth officer for work in Ganjam and Vizagapatam.

Despatch to Secretary of State, No. 118, dated 29th March 1893.
Despatch from Secretary of State, No. 59, dated 4th May 1893.

2. I am to express the regret of the Government of India that His Lordship has been unable to sanction the recommendations contained in the despatch of 29th March last; and, with reference to paragraph 2 of the despatch from the Secretary of State, I am to observe that the recent progress made in forest-settlements in the Madras Presidency indicates that more effective supervision over the work has been exercised since receipt of Lord Cross' despatch of the 6th December 1889, although in some respects, which will be noticed in the communication addressed to you on the Annual Forest Administration Report for 1891-92, there seems to be still room for improvement.

3. I am also to draw renewed attention to the suggestion made in paragraph 3 of my letter No. 643-F. of 28th May 1892, that the course, usually taken in other Provinces, should be adopted of deputing (under section 4 of the Madras Forest Act) one or more officers from the regular Civil staff for special duty on forest-settlements, in order that this long-protracted work may be brought to as early a close as practicable.

NOTE FOR THE CHIEF SECRETARY.

It is not quite clear what
Public can do beyond "recording"
this paper and waiting till
a Covenanted Civilian is
available. Perhaps Mr. Cobb, on
his relief here after the one
month's duty which it has been
decided he shall put in on
return from Bangalore, might
be spared.

Will the C.S. take the
paper into Council?
