Encls 2

From S. M. Genl. W. F. de Laet MD.
SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

MADRAS,

To

THE Honble the Chief Secy to Government,
Public Department,

SIR,

I have the honor to forward for submission to Government the enclosed copy of a letter from the Officiating Superintendent lying in Hospital Madras - together with a rough plan - suggesting certain improvements to the apothecary's quarters.

2. I have inspected the place and consider that the erection of an upper storey and the execution of the other petty improvements suggested by the Superintendent are urgently called for.

3. I request that instructions may be issued to the Consulting Architect with a view to the necessary plan and Estimates being framed for submission to Government.

I have the honor to be,

Sir,

Your most obedient Servant,

W. F. de Laet
S. M. Genl.
Surgeon-General with the Govt. of Madras.

Madras, 17th August 1893.

Surg. Major A. J. Sturmer

Offg. Superintendent

Govt. Lying-in Hospital, Madras.

To,

The Secy. to the Surgeon General
with the Govt. of Madras
Nungambakam.

Sir,

At the desire of the Surgeon General, expressed at his late inspection of the Resident & apothecary's quarters on the 9th instant, I have the honor to forward a plan of the house.

2. The quarters were formerly merely a native house, and have at various times been added to and patched up. They are at present most unsuitable as a dwelling house.

3. The rooms marked A are the sleeping apartments, they are very badly ventilated and the only light that reaches them is from the bathroom windows and the light that comes from the centre room - when the front of the house is closed, the bedrooms are almost in darkness.

4. I would propose that an upper story be erected and that the roofs of the bedrooms be raised, and an alteration made in the bath rooms, so that some air may reach the bedrooms from the outside.

I have &c:

Offg. Supdt. Lying-in Hosp.
