No. 351.

Bangalore,
26th August 1897

From

Dr. E. Hultsch,

Government Epigraphist,

To

The Chief Secretary to Government,
Madras.

Sir,

With reference to para 3 of G.O., dated the 1st August 1893, No. 642, Public, I have the honour to submit that the sum of Rs 4,400 was arrived at by adding Rs 1,500, the balance available of the imperial grant for 1892-93 (paragraph 3 of the letter from the Government of India communicated by G.O. dated the 31st August 1892, No. 605, Public) to Rs 3,000, the annual grant for 1893-94 (G.O., dated the 21st February 1893, No. 146, Public) and deducting Rs 100, the actual expenditure in 1892-93.

2. As I observe from the G.O. under reference that the unexpended balance of Rs 1,400 must have lapsed, I shall eventually be obliged to apply for a supplemental grant to defray the cost of the plates ordered, and papers received from other contributors, during 1892-93, but paid for and issued in 1893-94.

I have the honour to be, Sir,
your most obedient servant,

E. Hultsch,
Epigraphist
